TOWN CLERK'S REPORT

Town of Cohasset

REPORT OF THE ANNUAL TOWN MEETING

Held March 5, 1955

At the Annual Business Meeting held at the Ripley Road School at 2:00 o'clock p.m., March 5, 1955, the following articles were contained in the Warrant and acted upon as recorded:

Checkers previously appointed for entrance by the Selectmen and sworn in by Town Clerk William H. Morris at 1:30 p.m. were Margaret Buckley, Isabel Ainslie, Marjory Ware and Eleanor Wilbur.

The meeting was opened at 2:15 p.m., by Moderator Robert B. James and the Town Clerk proceeded to read the call of the meeting.

Tellers appointed by the Moderator and sworn in by the Town Clerk at 2:00 p.m. were Henry E. Sweeney, Ziba T. Lapham, Charles A. Marks and David Truesdell.

The invocation was given by Rev. William G. Sewell.

The Moderator ascertained from the Checkers the number of voters present as checked on the incoming voting lists was 513.

ARTICLE 1. To choose all Town Officers not required to be elected by ballot.

VOTED, by a voice vote, that the Selectmen be and hereby are authorized and directed to appoint all Town Officers not required to be elected by ballot.

ARTICLE 2. To act upon the reports of the various Town Officers as printed in the Annual Report for the year 1954.

VOTED unanimously, by a voice vote, that the reports of the various Town Officers as printed in the Annual Report for the year 1954 be and hereby are accepted.

ARTICLE 3. To hear the report of any committee heretofore chosen and act thereon.

Government Island Property Committee

VOTED unanimously, by a voice vote, that the Government Island Property Committee be discharged with appreciation for its services.

Shade Tree Committee

VOTED unanimously, by a voice vote, that the Shade Tree Committee established under resolution of Mr. P. T. Cumner in the March Meeting of 1951 be discharged with thanks.

Osgood School Property Committee

The Osgood School Property Committee made a report of progress.

VOTED unanimously, by a voice vote, that the Osgood School Property Committee report of progress be accepted and the Committee be continued for the purpose for which it was formed.

Beechwood Cemetery Committee

The Beechwood Cemetery Committee made a report of progress.

VOTED unanimously, by a voice vote, that the report of the Committee to work with the Selectmen for the Acquisition of the Beechwood Cemetery be accepted as printed and that the Committee be continued.

Town Manager Study Committee

During the past year your Committee has continued its study of the Selectmen-Manager system of Town government, by means of individual research by its members, with meetings as necessary to correlate the results of these efforts.

A working draft of the information report is practically complete.

Your Committee feels that the time already spent has been well worth the while and desires to pursue its investigation to completion. We, therefore, ask that this report be accepted as one of progress, and move that this Committee be continued.

ANNUAL REPORT, TOWN OF COHASSET, 1955

VOTED unanimously, by a voice vote, that this report be accepted and the Committee be continued.

Union Health Committee

In 1952, at the annual Town Meeting, the Moderator was authorized to appoint a committee of seven citizens to study the act relative to the Organization of Union Health Departments (Chapter 662, Acts of 1949, Comm. of Mass.).

Briefly, this Act passed in 1949, had as its objective that communities with less than 35,000 population should combine their health services on a regional basis. There was a mandatory clause stating that the State Dept. of Public Health would assign a municipality to a Health Union after 1959 (10 years) if said community had not previously joined a health union voluntarily.

In 1953, the Union Health Dept. Act was repealed. In its place, we have the Regional Health District Law which omits all mandatory features and stresses the voluntary action of a Town joining with neighboring Towns for the provision of adequate public health services.

Your Committee has been in unanimous sympathy with the principle of regional health districts. However, there is marked apathy regarding health districts in this area.

Therefore, your Committee, recognizing that it will be some time before all the Towns in this area are interested in pooling their health resources, request discharge of the Committee. When the time arrives that there is general interest in the value of a regional health district, another Committee can approach the study with new enthusiasm.

Respectfully submitted,

Henry Howe, M.D.

Joseph A. Humphreys

Elizabeth O'Neill, R.N.

Howard S. Reid, M.D.

Norman E. Scott

Marjory Cabot Ware, R.N.

Rosemary C. MacIsaacs, R.N., Chairman.

VOTED unanimously, by a voice vote, that the report of the Town Moderator's Committee to study the union health department program and the subject matter contained in this article in relation to Cohasset be accepted and that the Committee be dissolved as suggested.

Fire Department Investigating Committee

The Fire Department Investigating Committee made a report of progress.

VOTED unanimously, by a voice vote, that the Fire Department Investigating Committee be continued.

Town By-Law Committee

The Town By-Law Committee made a report of progress.

VOTED unanimously, by a voice vote, that the Committee's report of progress be accepted and that the Committee be continued; and further that the Selectmen be and hereby are authorized and directed to appoint three additional members to said Committee.

Grade School Housing Committee

The contract for the new elementary school authorized by the Town Meeting of June 21, 1954 was awarded to the low bidder, Sewell & Smith Construction Company, June 24, 1954. The actual construction of the school was started July 28, 1954. There was some interruption in the construction work because of the two hurricanes in the fall and the periodic severe cold weather this winter. The progress of the construction of this school is considered very satisfactory in every respect and even in spite of the interruptions of the weather the construction is about on schedule and we are assured that the school will be finished and ready for occupancy September 1, 1955. There has been no deviation from the original specifications. There has been only 7 change orders, commonly known as extras, and the most extensive one of these was a credit of \$1603.00 and one a smaller credit of \$27.00.

Bids have been received on the equipment and some equipment items have been let. Because of the savings made on the change orders and the possibility of some savings on equipment the contingency fund carried in the original budget of \$20,000.00 for unforeseen expenditures, is now actually \$23,000.00.

The interest rate on the bonds for this new school was obtained at one and eight-tenths per cent, which is less than the two and one-fourth per cent interest that we anticipated at the time we submitted our brochure to the Town, which showed the effect of the cost of this school on the tax rate.

ANNUAL REPORT, TOWN OF COHASSET, 1955

Some of the funds received from the bond issue for the new elementary school, which were not immediately required for the payment of construction costs were invested in short term U. S. Government securities and time deposit accounts. The Town received in revenue from this source the sum of \$1269.15. This is done by the capable handling of the town treasury by our Town Treasurer, Mr. Noonan.

We wish to call to the attention of the Town Meeting at this time the splendid cooperation that we have received from all concerned with the construction of this school and to thank particularly, the Town Accountant for carrying out the extra work that is put on him by a project of this type and the Town Treasurer for the tremendous work load made necessary by this same type of project.

The Committee has recommended to the School Committee that this new elementary school be named the Deer Hill School. The School Committee has voted the Deer Hill School as the official name of this building.

The work of improving the Ripley Road School playground authorized by the Town Meeting of June 21, 1954 is now in progress. The Committee intentionally delayed this work in order that any fill that could not be used at the Deer Hill School might be used in filling this playground. Further that the finished work might be done as near as possible to the closing time of the school year in order that the grass seed would have a chance to grow.

Because of the restricted amount of funds available for this playground work, and rather than ask the Town for additional funds, the Committee investigated carefully the possibilities of awarding contracts for the entire job and found that by supervising the work ourselves the purchase of fill in bulk locally, and with the cooperation with the Highway Department, we could rough fill the desired area at a considerably lower cost than by contract. Contracts will be let for bituminous concrete drive and bus turn-around, and for the finished grading and seeding.

The Committee wishes to thank Mr. Barnes, the Highway Surveyor for his splendid cooperation and Mr. Poland, a member of the Committee for his part in supervising the work that has been done so far.

Respectfully submitted,
Harry H. Reed, Jr., Chairman
Grade School Facilities
Committee.

ANNUAL REPORT, TOWN OF COHASSET, 1955

VOTED unanimously, by a voice vote, that the progress report of the Grade School Facilities Committee authorized to supervise the construction of the New Elementary School and the development of the Ripley Road School playground be accepted and the Committee be continued.

War Memorial Committee

The War Memorial Committee made a report of progress.

VOTED unanimously, by a voice vote, that the War Memorial Committee report of progress be accepted and the Committee be continued.

Adjournment to fixed time made by Louis E. Salvador.

MOVED AND VOTED, by a voice vote, that in event that the business of this meeting be not concluded by 5:30 P. M., then this meeting shall at that time be adjourned to Monday, March 7th, 1955, at 8:30 P. M., in this hall.

ARTICLE 4. To see what action the Town will take with respect to fixing the salaries and compensation of its elected officers for the ensuing year, retroactive to January 1 and what sums of money the Town will raise and appropriate for operation, salaries and compensation retroactive to January 1, and expenses for the following:

1. Moderator.
- 1a. Advisory Committee.
- 1b. Planning Board.
2. Selectmen.
3. Town Accountant.
4. Town Treasurer.
5. Tax Collector.
- 5a. Town Collector.
6. Assessors.
7. Other finance Officers and Accounts, certification of notes.
8. Law and Legal Counsel.
9. Town Clerk.
10. Election, Registrations and Town Meetings.
- 10a. Engineering, maintenance.
- 10b. Engineering, outlany assessors' tax plats, etc.

Moved: That the motion of Article 4 be amended by substituting in section 8 entitled Law and Legal Counsel for the figures \$3,990.00 the figures \$3,000.00; by substituting for the figures \$897,574.30 where they appear in said motion the figures \$896,584.30 and by substituting for the figures \$871,462.69 where they appear in said motion the figures \$870,472.69 and that the Selectmen be instructed to fix the salary for the Town Counsel, as above, at \$3,000.00 for the ensuing year, effective January 1, 1955 until the next Annual Town Meeting in 1956.

The Moderator called for a voice vote on the amendment and declared that the motion has passed. Seven voters questioned the Moderators decision and a hand vote was called. The hand vote upheld the Moderators decision that the amendment had carried.

YES, 289; NO, 116.

VOTED unanimously, by a voice vote, that Article 4 be accepted as amended.

ARTICLE 5. (Inserted by Seleccemen, Norman C. Card and others) To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1955, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

VOTED unanimously, by a voice vote, that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1955, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, of the General Laws.

ANNUAL REPORT, TOWN OF COHASSET, 1955

ARTICLE 6. (Inserted by Selectmen, Norman C. Ward and others) Will the Town vote to appropriate the sum of \$771.73 this being the sum received from the County for dog licenses, for schools, as required by Chapter 140, Section 172 of the General Laws?

VOTED unanimously, by a voice vote, that the sum of \$771.73 be and hereby is appropriated from available cash in the Treasury being the unexpended balance of the Dog Fund received from the County for dog licenses, in accordance with Chapter 140, Section 172 of the General Laws, to be expended for the support of the Public Schools.

ARTICLE 7. (Inserted by Selectmen, Norman C. Card and others) To see if the Town will raise and/or appropriate from Overlay Surplus, or otherwise, the sum of \$20,000.00 for the purposes of a Reserve Fund, or act on anything relating thereto.

VOTED unanimously, by a voice vote, that the sum of \$8,758.86 be and hereby is appropriated from Overlay Surplus and \$11,241.14 appropriated from available funds in the Treasury (Excess and Deficiency) making a total of \$20,000.00 for the purpose of a Reserve Fund.

ARTICLE 8. (Inserted by Selectmen, Norman C. Card and others) To see if the Town will vote to raise and/or appropriate the sum of \$800.00 for the purpose of maintaining during the ensuing year, the mosquito control works and improvement of low lands and swamps as estimated and certified to by the State Reclamation Board.

VOTED unanimously, by a voice vote, that the sum of \$800.00 be raised and appropriated for maintaining, during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with Chapter 112 of Acts of 1931.

ARTICLE 9. (Inserted by Selectmen, Norman C. Card and others) To see if the Town will vote to appropriate from available cash in the treasury a sum not exceeding \$40,000.00 as it may determine for the use of the Assessors in fixing the tax rate for the ensuing year.

VOTED unanimously, by a voice vote, that there be and hereby is appropriated from available cash in the Treasury for the use of the Assessors in fixing the tax rate for the ensuing year such sum

ANNUAL REPORT, TOWN OF COHASSET, 1955

not exceeding \$40,000.00 as the Assessors in their discretion may determine advisable.

ARTICLE 10 (Inserted by Selectmen, Norman C. Card and others). Will the Town, acting under the jurisdiction and provisions of Chapter 252 of the General Laws, vote to join in a Mosquito Control Project in conjunction with the City of Quincy, and the Towns of Hingham, Braintree, Hull, Weymouth and Milton, or any combination of them, and contingent upon other towns' joining and will raise and/or appropriate a sufficient sum of money not exceeding \$3,850.00 for the purpose of paying Cohasset's share thereof, the same to be paid to the Massachusetts Reclamation Board, or act on anything relating thereto.

VOTED unanimously, by a voice vote, that the Town of Cohasset join in a Mosquito Control Project in conjunction with the City of Quincy and the Towns of Hingham, Braintree, Hull, Weymouth and Milton or any combination of them in accordance with and authorized by the provisions of Chapter 252 of the General Laws as amended and the sum of \$3,700.00 be and hereby is raised and appropriated for the purpose of paying Cohasset's share thereof, the funds to be paid to the Massachusetts Reclamation Board in the discretion of the Board of Selectmen if sufficient other municipalities join to justify such action.

ARTICLE 11 (Inserted at the request of Everett W. Gammons and others). To see if the Town will authorize the Moderator to appoint a Committee to study the need for and means of zoning certain parts or all of the Town of Cohasset, said Committee to present its report thereon with recommendations at a Special Town Meeting to be held on or before November 15, 1955; also to see if the Town will raise and appropriate the sum of \$1,000 for the expenses of said Committee.

MOVED: That the Moderator be authorized to appoint a Committee to study the need for and means of zoning certain parts or all of the Town of Cohasset, said Committee to present its report thereon with recommendations at a Special Town Meeting to be held on or before November 15, 1955.

MOVED: That the motion be amended by substituting the following motion therefor:

That the Moderator appoint a Committee of seven citizens to study the need for the enactment of a zoning By-Law to apply to certain parts of the Town of Cohasset, said Committee to report

ANNUAL REPORT, TOWN OF COHASSET, 1955

thereon at the next Annual Town Meeting, and, in the event that the Committee should recommend the adoption of a particular zoning By-Law, that the Committee be directed to petition the Selectmen to procure the enactment of the required legislation to enable the question of adoption of the recommended By-Law to be placed on the ballot in the form of a referendum, and/or that the Selectmen do any and all other things necessary for that purpose, said Zoning Study Committee being hereby expressly instructed not to present any such recommended By-Law for vote at a Town Meeting, in any other manner than the foregoing.

DEFEATED, by a voice vote.

VOTED, by a voice vote, that the Moderator be authorized to appoint a Committee to study the need for and means of zoning certain parts or all of the Town of Cohasset, said Committee to present its report thereon with recommendations at a Special Town meeting to be held on or before November 15, 1955.

ARTICLE 12 (Inserted at the request of Eustis A. James and others). To see if the Town will raise and/or appropriate a sufficient sum of money to remedy, alleviate, and improve flood conditions in the area adjacent to, in the vicinity of, or surrounding James Brook, including the drainage thereof and the improvement, widening or deepening of said Brook to increase the flow or run-off of water during heavy rainfall or what other or further action the Town will take relative thereto.

MOVED: That the sum of \$35,000.00 be and hereby is raised and appropriated to remedy, alleviate, and improve flood conditions in the area adjacent to, in the vicinity of, and surrounding James Brook by installation of approximately 700 feet of 60 inch pipe and otherwise improving, widening and deepening James Brook where feasible to increase the flow of and run-off of water during heavy rainfall.

MOVED AND VOTED unanimously, by a voice vote, that this Article be indefinitely postponed and that the Selectmen are authorized and directed to appoint a Committee of five citizens to further investigate the drainage conditions in the area surrounding James Brook and to report back to the Town with recommendations for any action thereon at the next annual town meeting.

ARTICLE 13 (Inserted at the request of the Committee on Town History, Dr. Henry F. Howe and others). To hear the report

of the Committee on Town History and to see if the Town will raise and/or appropriate \$10,000.00 or other sufficient sum for the purpose of printing and publishing under the supervision of the Committee on Town History about 3,000 copies of an additional volume of the "Narrative History of Cohasset," from a manuscript written by Burtram J. Pratt, said volume, when printed, to be placed on public sale by the Town Treasurer for a price that will reimburse the Town for the entire appropriation when all copies are sold, or act on anything relating thereto.

VOTED unanimously, by a voice vote, that the report of the Committee on Town History be accepted as a report of progress and that the remaining portion of its original appropriation be carried over for final expenses of preparing the manuscript; and that the sum of \$8,700 be and hereby is raised and appropriated for the purpose of printing and publishing under the supervision of the Committee on Town History about 3,000 copies of an additional volume of the "Narrative History of Cohasset" from a manuscript written by Burtram J. Pratt, said volume when printed to be placed on public sale by the Town Treasurer at a price or prices which will reimburse the Town for its entire expense in producing the book, when all copies are sold; and that the present Committee on Town History be continued in existence and be empowered to make contracts and necessary expenditures under this appropriation for the accomplishment of this purpose.

ARTICLE 14 (Inserted at the request of Martha D. Blackmur and others). To see if the Town will raise and/or appropriate a sufficient sum of money for the installation and placing of curbing around the Town Commons.

MOVED: That the sum of \$8,250.00 be and hereby is raised and appropriated for the installation and placing of curbing around the sections of the Town Common bordering on North Main Street in the centre of the Town.

VOTED, by a voice vote, that this article be indefinitely postponed.

Resolution of Martha D. Blackmur

In the glaring light of hindsight, it is very evident that Article 14 should have been amplified to read "or in anyway act to protect the grass, trees and sidewalk from the inroads of vehicular traffic."

As a citizen born in this town, and one who has lived most of her life in Cohasset close to our beautiful Common, I am horrified at

the damage being done to it daily. If anyone will take the time to look at the edges on North Main Street on the Northeasterly side, he will see a deeply scalloped border saved only by trees which are being damaged and by telephone poles. The edges have already been gouged right up to the sidewalk. In spite of adequate public parking areas off Depot Court and next to the Town Hall, the public seems to prefer a "small bay" dug into the common. If this keeps on, we may all live to witness the spectacle of a beautiful flag pole, a three hundred year old church and a landscaped pond in the middle of a parking area.

I realize that this is a year when many projects costing a great deal of money have been proposed to this meeting. I am reluctant, however, to sit quietly by and see the despoliation of one of the Town's great asset, our Town Commons.

I therefore offer the following resolution:

RESOLVED: That the Board of Selectmen, in its capacity of Park Commissioners, in collaboration with the Police Department, the Tree Department and the Highway Department, take immediate steps to halt the erosion and damage now being done the Cohasset Town Commons.

VOTED unanimously, by a voice vote, to accept this resolution.

ARTICLE 15 (Inserted by Selectmen, Norman C. Card and others). To see if the Town will vote to devote to playground purposes the land containing 4,353 acres situated on and off the northerly side of North Main Street and shown as Lot 3 on a plan by Walter B. Foster, C.E., recorded with Norfolk Deeds, Plan Book 85, Plan 4135 and 4136 acquired by deed from Mary H. Tucker and will raise and/or appropriate the sum of \$500.00 for the grading and improvement of the grounds for said purpose, and \$300.00 for the purchase of playground equipment to be placed thereon, or act on anything relating thereto.

VOTED unanimously, by a voice vote, that this article be indefinitely postponed.

ARTICLE 16 (Inserted by Selectmen, Norman C. Card and others). To see if the Town will vote to accept from the School Committee permission to use a portion of the high school grounds in the rear of the high school building which will be consistent and without interference with the use of the premises for school purposes, as a playground or recreation field and will raise and/or appropriate the sum of \$500.00 for the improvement and grading of

ANNUAL REPORT, TOWN OF COHASSET, 1955

such grounds and the sum of \$500.00 for the purchase of playground equipment to be placed thereon, or act on anything relating thereto.

VOTED unanimously, by a voice vote, that this article be indefinitely postponed.

ARTICLE 17 (Inserted by Selectmen, Norman C. Card and others). To see if the Town will raise and/or appropriate the sum of \$500.00 for acquiring certain marsh and upland lying easterly of Jerusalem Road consisting of about 5.21 acres and shown on plan drawn by Lewis W. Perkins and Son, Engr's, on file with the Town Clerk from the Estate of Charles W. Gammons and/or Edith J. Gammons; will authorize its Selectmen to purchase and/or take the same, or act on anything relating thereto.

VOTED, by a hand vote, that the sum of \$500.00 be and hereby is raised and appropriated for acquiring from the Estate of Charles W. Gammons and/or Edith J. Gammons about 5.21 acres of marsh and upland lying easterly of Jerusalem Road and shown on plan drawn by Lewis W. Perkins and Son, Eng'rs. on file with the Town Clerk and that the Selectmen be and hereby are authorized to purchase and/or take the same.

YES, 340: NO, 1.

Mr. Roger Coulter served notice for Reconsideration of Section 8 of Article 4 at the adjourned session.

ARTICLE 18 (Inserted by Selectmen, at the request of Herbert L. Jason and others). To see if the Town will raise and/or appropriate the sum of \$1,000.00 for construction of a marine ramp for the landing and launching of boats at the end of Parker Avenue or act on anything relating thereto.

VOTED, by a voice vote, that the sum of \$1,000.00 be and hereby is raised and appropriated for the construction of a marine ramp for the landing and launching of boats at the end of Parker Avenue.

ARTICLE 19 (Inserted by Selectmen, Norman C. Card and others). To see what sum of money the Town will raise and/or appropriate from available funds or otherwise for the dredging and improvement of Cohasset Harbor or what other or further action it will take, or instructions it will give, with regard to the future improvement and development thereof.

VOTED, by a voice vote, that this article be indefinitely postponed.

ANNUAL REPORT, TOWN OF COHASSET, 1955

ARTICLE 20 (Inserted at the request of Charles Piepenbrink and others for Fire Department). To see if the Town will raise and/or appropriate the sum of \$7,500.00 for or toward the purchase and equipping of a new Forest Fire Truck together with front end pumping equipment for the use of the Fire Department, and will authorize the sale, turn-in or trade, of the present 1935 Ford Forest Fire Truck now in use by said Department in connection therewith and in part payment therefor, or act on anything relating thereto.

VOTED, by a voice vote, that the sum of \$7,500.00 be and hereby is raised and appropriated for and toward the purchase and equipping of a new forest fire truck together with front end pumping equipment for the use of the fire department and that the sale, turn-in, or trade of the present 1935 Ford forest fire truck now in use by said department in connection therewith and in part payment therefor be and hereby is authorized, and further, that invitations or advertisements for bids, and specifications for purchase, shall not, insofar as feasible, limit bidders to any particular make or manufacture.

ARTICLE 21 (Inserted at the request of Charles Piepenbrink and others). To see if the Town will raise and/or appropriate the sum of \$1,575.00 towards the purchase and equipping of a new automobile for the use of the Chief of the Fire Department and authorize the sale, turn-in, or trade of the present 1952 car now in use in connection therewith and in part payment therefor, or act on anything relating thereto.

VOTED, by a voice vote, that the sum of \$1,575.00 be and hereby is raised and appropriated for and towards the purchase and equipping of a new automobile for the use of the Chief of the Fire Department and the sale, turn-in, or trade of the present 1952 car now in use by the Chief in connection therewith and in part payment therefor be and hereby is authorized, and further that invitations or advertisements for bids, and specifications for purchase, shall not, insofar as feasible, limit bidders to any particular make or manufacture.

ARTICLE 22 (Inserted at the request of William H. Taylor, Jr., and others). Shall the Town accept the provisions of Massachusetts General Laws, Chapter One Hundred forty-five (145), relative to "Tenement Houses in Towns," or to act on anything relating thereto.

VOTED, by a voice vote, that this article be referred to the Committee to be appointed by the Moderator under Article 11.

ANNUAL REPORT, TOWN OF COHASSET, 1955

ARTICLE 23 (Inserted at the request of Chief of Police, Hector J. Pelletier and others). To see if the Town will raise and/or appropriate the sum of \$1,500.00 towards the purchase and equipping of a new cruising car for the use of the Police Department and authorize the sale, turn-in or trade of the present 1953 cruising car now in use by said Department in connection therewith and in part payment therefor or act on anything relating thereto.

VOTED unanimously, by a voice vote, that the sum of \$1,500.00 be and hereby is raised and appropriated towards the purchase and equipping of a new cruising car for the use of the Police Department, and the sale, turn-in, or trade of the present 1953 cruising car now in use by said Department in connection therewith and part payment therefor be and hereby is authorized, and further that invitations or advertisements for bids, and specifications for purchase, shall not, insofar as feasible limit bidders to any particular make or manufacture.

ARTICLE 24 (Inserted by Selectmen and Advisory Committee, Norman C. Card, G. Prescott Low and others). To see if the Town will vote to amend ARTICLE 2 of its By-Law entitled "TOWN MEETING" by striking out Sec. 5 and Sec. 6 as the same now appear and inserting in place thereof the following:

Sec. 5. Any article in the warrant for a Town Meeting under which an appropriation of money may be made, the insertion of which by the Selectmen shall have been requested in writing by the required number of registered voters shall have appended to such article, the name of the first person signing such request and the words "and others."

Sec. 6. The time for the filing of written requests with the Selectmen by ten or more registered voters for insertion of subjects in the warrant for the Annual Town Meeting shall close forty-five days before the time of the holding of said Meeting. Copies of all articles in the warrant for Annual or Special Town Meetings shall immediately be forwarded by the Selectmen to the Advisory Committee for their consideration. The Advisory Committee however shall have the right to request of the Selectmen the insertion of articles in the warrant for such Annual Meeting until twenty days before the time of holding said Meeting.

VOTED unanimously, by a voice vote, that Article 2 of the Town's By-Laws entitled "TOWN MEETING" be and hereby is amended by striking out Sec. 6 as the same now appears and inserting in place thereof the following:

ANNUAL REPORT, TOWN OF COHASSET, 1955

Sec. 6. The time for the filing of written requests with the Selectmen by ten or more registered voters for insertion of subjects in the warrant for the Annual Town Meeting shall close forty-five days before the time of the holding of said Meeting. Copies of all articles in the warrant for Annual or Special Town Meetings shall immediately be forwarded by the Selectmen to the Advisory Committee for their consideration. The Advisory Committee however shall have the right to request of the Selectmen the insertion of articles in the warrant for such Annual Meeting until twenty days before the time of holding said Meeting.

ARTICLE 25 (Inserted by Selectmen and Advisory Committee, Norman C. Card, G. Prescott Low and others). To see if the Town will vote to amend its By-Laws by adopting and adding to ARTICLE 3 entitled "TOWN OFFICERS" the following By-Law to be designated as Sec. 4:

Sec. 4. Each head of a Town Department, Committee, Board or Officer elected or appointed and any individual having charge or custody of any personal property belonging to or under the control of the Town shall no later than January tenth of each year file with the Town Accountant an itemized inventory setting forth the appraised value of such property in his, her or its possession or control, certified to be true, accurate and complete as of the close of business December thirty-first of the preceding year.

VOTED unanimously, by a voice vote, that ARTICLE 3 of the Town's By-Law entitled "TOWN OFFICERS" be and hereby is amended by adding thereto at the end the following By-Law to be designated as Sec. 4:

Sec. 4. Each head of a Town Department, Committee, Board or Officer elected or appointed and any individual having charge or custody of any personal property belonging to or under the control of the Town shall no later than January tenth of each year file with the Town Accountant an itemized inventory setting forth the appraised value of such property in his, her or its possession or control, certified to be true, accurate and complete as of the close of business December thirty-first of the preceding year.

MOVED AND VOTED to take up Article 34 after Article 26 is voted on.

ARTICLE 26 (Inserted at request of Water Commissioners, Clarence M. Patroia and others). To see if the Town will approve the following annual Schedule for Hydrant Rentals as fixed by the

ANNUAL REPORT, TOWN OF COHASSET, 1955

Water Commissioners, effective in 1955 and until further vote of the Town or act on anything relating thereto.

Hydrant RentalEach \$150.00

MOVED: That the Town hereby recommends and approves the following annual Schedule for Hydrant Rentals as fixed by the Water Commissioners, effective January 1, 1955 and until further vote of the Town.

Hydrant RentalEach \$150.00

VOTED, by a voice vote, in the negative.

ARTICLE 34 (Inserted at request of Water Commissioners, Clarence M. Patroliia and others.) To see if the Town will recommend and approve an increase in Water Rates to be fixed by the Water Commissioners, or act on anything relating thereto.

MOVED: That an increase in the water rates of \$5.00 on the basic fixture rate increasing from \$19.00 to \$24.00 the fixture rate for "Houses occupied by one family without regard for number of faucets" to be fixed by the Water Commissioners, effective January 1, 1955, be and hereby is recommended and approved.

The Moderator called for a voice vote and declared that the motion was defeated. Seven voters questioned his decision and the Moderator called for a hand vote. The hand vote upheld the Moderator's decision that the article was defeated, as follows:

YES, 98; NO, 168.

At 5:30 P. M. the meeting was adjourned until Monday, March 7, 1955 at 8:30 P. M.

Monday, March 7, 1955

Checkers previously appointed for entrance by the Selectmen and sworn in by the Town Clerk reported to work at 8:00 o'clock P. M.

The Moderator opened the meeting at 8:30 P. M. The number of voters present as checked on the incoming voting lists was 427.

ARTICLE 27 (Inserted at request of Water Commissioners, Clarence M. Patroliia and others). To see if the Town will vote to raise and/or appropriate from Water Surplus the amount of \$2,370.29 to pay the following unpaid bills of 1954 incurred during

ANNUAL REPORT, TOWN OF COHASSET, 1955

the installation of the Main extension in Chief Justice Cushing Way or act on anything relating thereto.

Allan R. Wheeler	\$2,088.93
Commonwealth of Massachusetts	
Department of Public Works	281.36
	<hr/>
	\$2,370.29

VOTED, by a voice vote, that the sum of \$281.36 be and hereby is appropriated from water surplus account to pay the following unpaid bill of 1954 incurred during the installation of the Main extension in Chief Justice Cushing Way.

Commonwealth of Massachusetts, Department
of Public Works \$281.36

ARTICLE 28 (Inserted at request of Water Commissioners, Clarence M. Patroliia and others). To see if the Town will vote to fix the salaries and compensation of the Board of Water Commissioners; appropriate a sufficient sum of money therefor or act on anything relating thereto.

VOTED unanimously, by a voice vote, that this article be indefinitely postponed.

MOVED AND VOTED to take up Article 30 before Article 29.

ARTICLE 30 (Inserted at request of Water Commissioners, Clarence M. Patroliia and others). To see if the Town will vote to raise and/or appropriate by tax levy, from available funds or otherwise the sum of \$4,000.00 for the purpose of a continued investigation of available ground-water sources to increase the supply, or act on anything relating thereto.

VOTED, by a voice vote, that this article be indefinitely postponed.

Resolution by Mr. Bursk

Resolved that, instead of the specific action contemplated under Article 30, which would be inadvisable in view of the situation occasioned by the Town's voting down both the hydrant rental increase and the domestic rate increase, a committee of five citizens be appointed by the Selectmen to make an analysis of the over-all situation of the Water Department and to render a report with recommendations for action to meet the needs of the Water Department either at the special meeting before November 15 to receive

ANNUAL REPORT, TOWN OF COHASSET, 1955

the report of the Zoning Committee or at another special meeting not later than November 15 as determined by the Selectmen.

VOTED, by a voice vote, in the affirmative.

ARTICLE 29 (Inserted at request of Water Commissioners, Clarence M. Patroliia and others). To see if the Town will vote to raise and/or appropriate by tax levy, from available funds or otherwise the sum of \$2,000.00 for the purpose of providing a comprehensive engineering study of the water distribution system which may be used as a guide for future extensions and reinforcing mains and as a basis for long-range construction planning, or act on anything relating thereto.

VOTED, by a voice vote, that the sum of \$2,000.00 be and hereby is raised and appropriated from surplus water revenue for the purpose of providing a comprehensive engineering study of the water distribution system which may be used as a guide for future extensions and reinforcing mains and as a basis for long range construction planning.

ARTICLE 31 (Inserted at request of Water Commissioners, Clarence M. Patroliia and others). To see if the Town will vote to raise and/or appropriate by tax levy, borrowing from available funds or otherwise the sum of \$14,000.00 for the purpose of purchasing a gasoline or Diesel-engine driven generator of sufficient capacity to operate the Beechwood pumping station and filter plant as a protection against power failure, or act on anything relating thereto.

VOTED, by a voice vote, that this article be indefinitely postponed.

ARTICLE 32 (Inserted at request of Water Commissioners, Clarence M. Patroliia and others). To see if the Town will vote to raise and/or appropriate by tax levy, from available funds, or otherwise the sum of \$200.00 for the purpose of acquiring, by quit claim deed or otherwise, a certain parcel of land approximately 5 acres in area located on the south side of Lily Pond and owned by Ralph V. Bates, or act on anything relating thereto.

VOTED, by a hand vote, that the sum of \$200.00 be and hereby is appropriated from water surplus account for the purpose of acquiring, by quit-claim deed, or otherwise, a certain parcel of land approximately 5 acres in area located on the south side of Lily Pond and owned by Ralph V. Bates.

YES, 313; NO, 6.

ANNUAL REPORT, TOWN OF COHASSET, 1955

ARTICLE 33 (Inserted at request of Water Commissioners, Clarence M. Patrolia and others). To see if the Town will vote to raise and/or appropriate by tax levy, borrowing, from available funds or otherwise the sum of \$60,000.00 for the purpose of extension of mains in the distribution system and among other things to provide adequate fire protection in the area on Sohier Street adjacent to the new elementary school, or act on anything relating thereto.

MOVED: That the sum of \$25,000.00 be and hereby is raised and appropriated to be expended under the direction of the Water Commissioners for the purpose of extension of water mains of not less than six (6) but less than sixteen (16) inches in diameter from the northwesterly end of the King Street water main to and along Chief Justice Cushing Way to Sohier Street and along Sohier Street to the hydrant at the end of the existing main in Sohier Street; and to meet said appropriation that the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of \$25,000.00 under the provisions of Chapter 44 of the General Laws and acts in amendment thereof and in addition thereto, and to issue bonds, notes, or other evidences of indebtedness of the Town therefore, said bonds, notes or other evidences of indebtedness to be payable in not more than fifteen (15) years from their dates or at such earlier dates as the Treasurer or Selectmen may determine.

MOVED: That the motion be amended by substituting the following motion therefor: That the sum of Sixteen Thousand Dollars (\$16,000.00) be and hereby is raised and appropriated; to be expended under the direction of the water commissioners for the purpose of laying water mains by installation of a ten (10) inch water main or line on Sohier Street in same location as water main not there which shall be removed, ten (10) inch pipe to be laid westerly for a distance of approximately Twenty Seven Hundred (2,700) feet from the intersection of Ripley Road and Sohier Street to the hydrant at the Deer Hill School; and in order to meet such appropriation for said purpose, that the Town Treasurer with the approval of the Selectmen be and hereby authorized to borrow the sum of sixteen thousand (\$16,000.00) dollars and to issue bonds and notes or other evidences of indebtedness of the Town therefor, said bonds or notes or other evidences of indebtedness to be payable in not more than fifteen (15) years from their dates or at such earlier dates as the Treasurer or Selectmen may determine.

VOTED, by a voice vote, that this substitute motion be indefinitely postponed.

ANNUAL REPORT, TOWN OF COHASSET, 1955

VOTED, by a voice vote, that the main motion be indefinitely postponed.

ARTICLE 35 (Inserted at the request of E. Lawrence Parker, Jr., and others). To see if the Town will raise and/or appropriate the sum of \$2,500.00 for the construction of a shooting range in the basement of the Ripley Road School or act on anything relating thereto.

VOTED, by a voice vote, that the sum of \$2,500.00 be and hereby is raised and appropriated for the purposes of constructing a shooting range in the basement of the Ripley Road School, and I further move that E. Lawrence Parker and John Winters be and hereby are named as a committee to supervise the construction of the aforementioned shooting range with the power to expend all or a part of the sum on said range.

ARTICLE 36 (Inserted at the request of Henry B. Kennedy and others). To see if the Town will raise and/or appropriate a sufficient sum of money for the installation of and the furnishing of water service to a new additional fire hydrant at the corner of James Lane and Cushing Road or act on anything relating thereto.

VOTED unanimously, by a voice vote, that the sum of \$100.00 be and hereby is raised and appropriated for the installation, rental, and furnishing of water service to a new additional fire hydrant at the corner of James Lane and Cushing Road.

ARTICLE 37 (Inserted at the request of James Corcoran and others). To see if the Town will raise and/or appropriate a sufficient sum of money for the installation of and the furnishing of water service to a new additional fire hydrant on Reservoir Road or act on anything relating thereto.

VOTED, by a voice vote, that the sum of \$100.00 be and hereby is raised and appropriated for the installation, rental, and furnishing of water service to a new additional fire hydrant on Reservoir Road.

MOVED AND VOTED unanimously, by a voice vote at 11:00 o'clock P. M., that this meeting be adjourned until Tuesday, March 8, 1955, at 8:30 P. M.

Tuesday, March 8, 1955

Checkers previously appointed for entrance by the Selectmen and sworn in by the Town Clerk reported to work at 8:00 o'clock P. M.

ANNUAL REPORT, TOWN OF COHASSET, 1955

The meeting was opened at 8:30 P. M. by the Moderator and the tellers reported to the stand.

The Moderator ascertained from the Checkers the number of voters present as checked on the incoming voting lists which was 407.

ARTICLE 38 (Inserted by Selectmen, Norman C. Card and others). To see if the Town will vote to amend the vote passed under Article 39 of the Warrant for the Annual Town Meeting held March 8, 1954, whereby the sum of \$9,000.00 was appropriated for the improvement of Hull Street under the provisions of Chapter 90 of the General Laws by increasing the amount of the appropriation from \$9,000.00 to \$12,000.00 as a result of the increased allotment by the Commonwealth, or take any action in relation thereto.

VOTED, by a voice vote, to amend the vote passed under Article 39 of the warrant for the annual town meeting held March 8, 1954, whereby the sum of \$9,000.00 was appropriated for the improvement of Hull Street under the provisions of Chapter 90 of the General Laws by increasing the amount of the appropriation from \$9,000.00 to \$12,000.00 as a result of the increased allotment by the Commonwealth, and said increase of \$3,000.00 is hereby raised and appropriated; be it further voted that: the reimbursement to be received from the State which has made an allotment of \$6,000.00 and from the County which has allotted \$3,000.00 to be credited back to surplus revenue when received.

ARTICLE 39 (Inserted at the request of the Directors of the Cohasset Community Center, J. Blake Thaxter, Jr., and others). To see if the Town will provide for a Recreation Committee of seven citizens to be appointed by the Moderator for the purpose of making a comprehensive survey and study of the immediate and long range recreational needs of the Town and to make recommendations relative to said needs, if there be any, and the methods of financing same or act on anything relating thereto.

VOTED, by a voice vote, that a Recreation Committee of seven citizens be appointed by the Moderator for the purpose of making a comprehensive survey and study of the immediate and long range recreational needs of the Town and to make recommendations relative to said needs and the methods of financing same, said committee to report at next annual town meeting.

ARTICLE 40 (Inserted by Selectmen, Norman C. Card and others). To see if the Town will vote to appropriate a sum of money for the payment of premiums to provide for group life in-

surance for its permanent employees pursuant to the provisions of Section 5 of Chapter 40 of the General Laws as amended by Chapter 239 of the Acts and Resolves of 1952, and any acts in amendment thereof and in addition thereto, determine how the same shall be raised and by whom expended, or in any way act thereon.

VOTED, by a voice vote, that the sum of \$1,360.80 be and hereby is raised and appropriated for the payment of premiums to provide for group life insurance for its permanent employees pursuant to the provisions of Section 5 of Chapter 40 of the General Laws and Acts in addition thereto and amendment thereof.

ARTICLE 41 (Inserted at the request of Louis E. Salvador and others). To see if the Town will vote to abolish payment by the Town, of any portion of the telephone bill and/or telephone service, in the residence of Town officers or employees, with the exception of the Chief of Police and the Chief of the Fire Department; who shall be allowed the sum of (\$10.00) ten dollars per month for telephone service.

MOVED: That the Town of Cohasset abolish payment of any portion of telephone bill and/or telephone service in residence of town officers or employees with the exception of the Chief of Police and Chief of the Fire Department who shall each be allowed the sum of (\$10.00) ten dollars per month for use of telephone.

Amendment by G. Prescott Low.

In as much as the Advisory Committee have proposed to the Selectmen and they agreed, to review the use of all telephones used in the conduct of town business, and to request the Telephone Company to make a survey of such telephone with a view to possible economies or elimination, as well as improved service; we therefor move this article be indefinitely postponed.

The Moderator called for a voice vote on indefinitely postponing Article 41. The Moderator was in doubt and called for a hand vote. The hand vote was in favor of indefinite postponement, as follows:

YES, 194; NO, 125.

ARTICLE 42 (Inserted at the request of the Directors of the Cohasset Community Center, J. Blake Thaxter, Jr., and others). To see if the Town will raise and/or appropriate the sum of \$600.00 for the placing of a fence around the whole or any portion of the

small park bordering on Depot Court and Ripley Road, formerly the site of Tilden's Stable, or act on anything relating thereto.

VOTED unanimously, by a voice vote, that the sum of \$600.00 be and hereby is raised and appropriated for the placing of a fence around the whole or a portion of the small park bordering on Depot Court and Ripley Road, formerly the site of Tilden's Stable, said sum to be expended under the direction of the Selectmen.

Resolution by Roger B. Coulter

RESOLVED: That it is the sense of this meeting that any Town Officer, Board or Committee who shall request an opinion of Town Counsel under the provisions of Article 9, Section 2 of the Town By-Laws shall make the request in writing through the Board of Selectmen, and that a memorandum of the request and the action taken thereon be made by the Selectmen.

VOTED, by a voice vote, to adopt this resolution.

ARTICLE 43 (Inserted by Selectmen at the request of Mrs. Albert Seaver and others). To see if the Town will vote to give a permissive license to Mrs. Albert Seaver to pass and repass from Highland Avenue across land now owned by the Town and used as a parking space adjacent to the Town Hall or what other or further action it will take relative thereto.

VOTED unanimously, by a voice vote, that the Selectmen be and hereby are authorized, empowered and directed to grant to Mr. and Mrs. Albert Seaver, and/or the survivor, license, revocable at the pleasure of said Selectmen, to pass and repass from Highland Avenue across Town land adjacent to the Town Hall used for parking, giving access to their garage under such restrictions and conditions as to holding the Town harmless from liability as said Selectmen may determine.

ARTICLE 44 (Inserted by Selectmen, at request of Trustees Paul Pratt Memorial Library and others). To see if the Town will raise and/or appropriate the sum of \$5,200.00 for repairing and renovating the roof of the Paul Pratt Memorial Library, or act on anything relating thereto.

MOVED: That there be and hereby is raised and appropriated the sum of \$5,200.00 for repairing and renovating the roof of the Paul Pratt Memorial Library, said money to be expended and the work performed under the supervision of the Trustees of said Library.

ANNUAL REPORT, TOWN OF COHASSET, 1955

MOVED: That the motion on Article 44 be and hereby is amended by striking out all the words following the words "Raised and appropriated" and inserting in place thereof the words "the sum of \$4,000.00 for repair of the roof and removal of the cupola of the Paul Pratt Memorial Library, said money to be expended and the work performed under the supervision of the Trustees of said library.

VOTED, by a voice vote, in the negative on the amendment.

VOTED, by a voice vote, in the affirmative on the main motion.

ARTICLE 45 (Inserted by Selectmen, Norman C. Card and others). To see if the Town will raise and/or appropriate the sum of \$4,000.00 to carry into effect the fluoride supplementation of the water supply of said Town in the event the majority of those voting at the Annual Town Election to be held on the second Saturday in March in the current year are in favor thereof and what other or further action it will take or instructions it will give relative thereto.

The Committee on Fluoridation respectfully submits the following supplemental report.

Report of the Fluoridation Committee

The Committee, after considerable discussion and thought, reports in favor of fluoridating the Cohasset Water Supply as a dental health measure for the people of Cohasset.

Members of the committee have met with your Water Superintendent, Chairman of the Water Commissioners and have visited fluoridation installations in neighboring towns. All practicing physicians and dentists of the town as well as your Board of Health heartily endorse this program as a public health measure.

A letter discussing fluoridation and its benefits has been prepared and mailed to every family in the town. The intent of this letter is to inform the people of the merits of fluoridation and should receive their careful consideration.

In addition a referendum on fluoridation has been placed on the town ballot. Your committee recommends an affirmative vote on this referendum.

It also recommends that you vote affirmatively on Article 45 of the 1955 Town Warrant so that in the event of an affirmative

ANNUAL REPORT, TOWN OF COHASSET, 1955

vote on the referendum, the money will be available for implementing the fluoridation program without delay.

The committee respectfully requests its continuance until the next regular town meeting and that this report be accepted as read.

MOVED: That the sum of \$4,000.00 be and hereby is raised and appropriated to carry into effect the fluoride supplementation of the water supply of the Town to be expended only in the event the majority of those voting at the Annual Town Election to be held on the second Saturday in March in the current year are in favor thereof.

After much debate, Mr. McLaughlin moved the previous question. The Moderator called for a hand vote and the result was in favor of voting on Article 45 without further debate as follows:

YES, 350; NO, 8.

VOTED, by a voice vote, that article 45 be accepted.

ARTICLE 46 (Inserted by Selectmen, Norman C. Card and others). To see if the Town will raise and/or appropriate the sum of \$17,000.00 for the construction of a sidewalk on Pond Street from Chief Justice Cushing Way easterly on Spring Street, thence on Spring Street from its intersection with Pond Street to both its intersections with South Main Street, said construction to include installation of proper and necessary under-ground culverts for the proper drainage of said Streets or act on anything relating thereto.

VOTED, by a voice vote, that the sum of \$17,000.00 be and hereby is raised and appropriated for the construction of a sidewalk on Pond Street from Chief Justice Cushing Way easterly to Spring Street, thence on Spring Street from its intersection with Pond Street to both its intersections with South Main Street including the installation of proper and necessary underground culverts and catch basins for the proper drainage of said Streets.

ARTICLE 47 (Inserted by Selectmen, Norman C. Card and others at request of Austin L. Ahearn, Jr., and others). To see if the Town will raise and/or appropriate the sum of \$7,000.00 for the construction of an underground storm drain to drain off surface water on and near Clay Spring Road and Arrowwood Street and vicinity, including necessary catch basins; will authorize its Selectmen to acquire by purchase or to take by eminent domain such land, easements, and interests as may be necessary therefor to relieve flooding conditions on land north of Arrowhead Street,

ANNUAL REPORT, TOWN OF COHASSET, 1955

raise and/or appropriate a sufficient sum of money for said purchase or taking, or take any further or other action relating thereto.

VOTED unanimously, by a hand vote, that the sum of \$7,000.00 be and hereby is raised and appropriated for the construction of an underground storm drain to drain off surface water on and near Clay Spring Road and Arrowwood Street and vicinity including necessary catch basins; and that the Selectmen be and hereby are authorized to acquire by purchase or to take by eminent domain such land, easements and interests as may be necessary to relieve flooding conditions on land north of Arrowwood Street; and further that the sum of \$1.00 be and hereby is raised and appropriated for said purchase or taking.

YES, 244; NO, 0.

ARTICLE 48 (Inserted by Selectmen, Norman C. Card and others). To see if the Town will vote to close out to Surplus Revenue (Excess and Deficiency Account) the following unexpended balances or act on anything relating thereto.

Zoning By-Law Committee—Expenses	\$111.48
Police Department—Purchase of new cruising car	50.00
Fire Department—Purchase of new truck	46.00
Tree Department—Purchase of new truck	323.00
Unpaid Bills for 1953	10.00
<hr/>	
Total	\$540.48

VOTED unanimously, by a voice vote, that the following unexpended balances be and hereby are closed out to surplus revenue (Excess and Deficiency Account)

Zoning By-Law Committee—Expenses	\$111.48
Police Department—Purchase of new cruising car	50.00
Fire Department—Purchase of new truck	46.00
Tree Department—Purchase of new truck	323.00
Unpaid Bills for 1953	10.00
<hr/>	
Total	\$540.48

ARTICLE 49 (Inserted by Selectmen, Norman C. Card and others). To see if the Town will raise and/or appropriate \$12,000.00 or other sufficient sum necessary for maintaining, repairing, improving, and constructing highways under the provisions of General Laws, Chapter 90, and Acts in amendment

ANNUAL REPORT, TOWN OF COHASSET, 1955

thereof or in addition thereto, said sum, or any portion thereof to be used in conjunction with money which may be allotted by the State or County, or both, for this purpose, or act on anything relating thereto.

VOTED unanimously, by a voice vote, that the sum of \$12,000.00 be and hereby is raised and appropriated for maintaining, repairing, and improving and constructing highways under the provisions of General Laws, Chapter 90, and Acts in amendment thereof and in addition thereto to be used in conjunction with money which may be allotted by the State or County, or both, and that reimbursements allotted from the State and County be credited back to surplus revenue when received.

ARTICLE 50 (Inserted by Selectmen, at request of Fire Dept., and others). To see if the Town will raise and/or appropriate the sum of \$3,950.00 towards the supplementation of the budget for the fire department and to pay for increased personnel in the event the majority of those voting at the Annual Town election to be held on the second Saturday in March in the current year are in favor of accepting Chapter 48 of the Acts of 1955 providing in general for a fifty-six hour week for permanent members of the fire department or act on anything relating thereto.

VOTED, by a voice vote, that the sum of \$3,950.00 be and hereby is raised and appropriated towards the supplementation of the budget of the fire department for the ensuing year and to pay for increased personnel only in the event majority of those voting at the Annual Town Election to be held on the second Saturday in March in the current year are in favor of accepting Chapter 48 of the Acts of 1955 providing for a fifty-six hour week for permanent members of the fire department.

MOVED AND VOTED unanimously, by a voice vote, at 11:30 P. M. that this meeting be dissolved.

Total appropriations, less appropriations from free

cash and other available funds	\$978,671.10
Appropriation from overlay surplus	8,758.86
Appropriation from surplus revenue	12,012.87
Appropriation from available funds	42,481.36

Total appropriations from all sources \$1,041,924.19

Attest:

WILLIAM H. MORRIS,
Town Clerk.

TOWN CLERK'S REPORT

Town of Cohasset

REPORT OF THE SPECIAL TOWN MEETING

Held November 7, 1955

At the Special Business Meeting held at the Ripley Road School at 8:00 o'clock P. M., November 7, 1955, the following articles were contained in the Warrant and acted upon as recorded:

Checkers previously appointed for entrance by the Selectmen and sworn in by Assistant Town Clerk Charles A. Marks at 7:00 P. M., were Margaret Buckley, Isabel Ainslie, Marjory C. Ware, Dorothy C. Bjorkgren, Mary V. Grassie, Frank F. Fisher, Frances R. Antoine and Marguerite G. Barrett.

Tellers appointed by the Moderator and sworn in by the Assistant Town Clerk at 8:00 P. M. were Henry E. Sweeney, Ziba T. Lapham, David Truesdell and John J. Emery.

The meeting was opened at 8:25 P. M. by Moderator Robert B. James and the Assistant Town Clerk proceeded to read the call of the meeting.

The invocation was given by Reverend Frank B. Chatterton.

The Moderator ascertained from the Checkers the number of voters present as checked on the incoming voting lists was 1180.

ARTICLE 1. To hear and act upon the report and recommendations of the Zoning By-Law Committee supplemented by the recommendations of the Planning Board, and to see if the Town will vote to adopt, reject or amend and adopt the following Zoning By-Law and accompanying Zoning Map, or act on anything relating thereto.

**ZONING BY-LAW
FOR THE TOWN OF COHASSET
MASSACHUSETTS**

Purpose

Purpose: A by-law to promote the health, safety, convenience and welfare of the inhabitants, to facilitate the adequate provision of streets, water, schools and other public requirements, and to improve and beautify Cohasset by districting the Town and governing the use of buildings, structures and premises therein with due consideration given to the geography, topography and history of the Town.

Section 1. DISTRICTS.

A. Establishment of Districts. For the purposes of this by-law, the Town of Cohasset is hereby divided into three districts to be known as:

1. Residence A district.
2. Resident B district.
3. Business district.

B. Location of Districts. Said districts are located and bounded as shown on the map entitled: "Zoning Map, Town of Cohasset" dated October 13, 1955 and filed in the office of the Town Clerk, which map, together with all explanatory matter thereon, is hereby incorporated in and made part of this by-law.

C. Unzoned Land. Land owned by the Town, other than land held under tax title, and land owned by the Town and used for Municipal purposes, whether acquired by tax title or otherwise, is not included in any district. Such land shall not be sold unless and until the land is placed in a district by vote of the Town.

Section 2. NON-CONFORMING BUILDINGS AND USES.

A. Non-Conforming Areas or Uses. This by-law shall not apply to the continued use of any building, structure or land or part thereof to the extent to which there is an existing use but it shall apply to any change in a building or structure to provide for its use for a purpose, or in a manner, substantially different from the use to which it was put before alteration.

A non-conforming building which has been damaged, destroyed or torn down may be repaired or rebuilt for substantially the same

ANNUAL REPORT, TOWN OF COHASSET, 1955

non-conforming use for which it was previously used, or for any conforming use, but not in an increased size, nor nearer the street than the building which it replaces.

The Board of Appeals may, after a public hearing, permit an existing non-conforming use to be changed to one which is no more objectionable or detrimental to the neighborhood than such prior use.

B. Termination. The rights of continuation or restoration of a non-conforming building or structure, or use of a building, structure or land shall terminate in the event of a non-use or non-restoration for a period of three years.

Section 3. AREA REGULATIONS.

A. Residence Districts. In residence A and B districts, there shall be provided for each dwelling hereafter erected on any lot the following minimum lot areas, and either minimum lot frontages or width of lot at construction line, respectively:

	Minimum Lot Area	Minimum Lot Frontage or Width of Lot at Construction Line
Residence A.	12,000 square feet	100 feet
Residence B	20,000 square feet	125 feet

In the case of a lot fronting on more than one street or private way, the lot must have the entire required minimum frontage on one of the ways, but need not have it on more than one.

Construction line as used in this section shall be a line parallel to the street or private way providing the principal means of access to the lot which intersects that portion of the principal building on the lot at a point where it is nearest the way.

As provided in Section 6, the Board of Appeals may grant permission for smaller lots and for lesser frontage in specific cases where restricted lot dimensions, unfavorably topography of the ground, or other conditions, would make it impossible, difficult or unreasonably expensive to adhere to such requirements.

B. Non-Conforming Lots. The requirements for areas, frontage, or lot width at construction line in this by-law shall not apply to lots in Residence A districts having an area of 9,000 square feet or more, or to lots in Residence B districts having an area of 15,000 square feet or more, provided such lots were duly recorded by deed or plan at the Norfolk County Registry of Deeds, or were

ANNUAL REPORT, TOWN OF COHASSET, 1955

duly registered with the Land Court, on or before July 1, 1955, or which were approved by the Planning Board on or before July 1, 1955.

C. BUSINESS DISTRICTS.

1. In any Business District, no building or structure shall be constructed, reconstructed or extended within 85 feet of the street on which it fronts, unless, on July 1, 1955, there was a building existing and used for business purposes on the same or an adjacent lot within 200 feet of the proposed building or structure, in which case such proposed building or structure may be as near the street as the aforesaid existing building, but no nearer.

2. In any Business District, no building shall be constructed, reconstructed or extended so that it covers more than 80 per cent of the lot on which it stands.

3. Every building hereafter constructed, reconstructed, extended, or converted for business or industrial use, shall provide adequate off street parking spaces to accommodate motor vehicles or other conveyances of customers, patrons and employees and to serve the incoming and outgoing delivery requirements of the establishment. Such parking spaces shall be located on or adjacent to or within 500 feet of the lot to which they pertain. Buildings hereafter constructed, reconstructed, extended, or converted on lots within 1000 feet of any parking lot provided by the Town, and existing business establishments shall be exempt from the requirements of this paragraph 3.

Section 4. USE PROVISIONS.

A. Residence A and B Districts. In Residence A and B Districts, only the following uses are permitted:

1. One family dwelling, provided, however, that any such dwelling existing at the time this by-law was adopted may be altered at any time hereafter into a two family dwelling.

2. Home occupations to be conducted and performed by resident occupants which shall include but not be limited to insurance or real estate, handicraft work, dressmaking or millinery, hair-dressing, preparing food for sale, mail order business, and the collecting and selling of antiques.

3. Service or trade occupations to be conducted by resident occupants provided that work is done principally away from the premises, and which shall include but not be limited to that of an

ANNUAL REPORT, TOWN OF COHASSET, 1955

electrician, plumber, carpenter, mason, roofer, painter, tree surgeon, landscaper and fisherman.

4. The renting of rooms to not more than five persons.
5. Professional offices in a private residence.
6. Church, or other religious use, and religious, sectarian or denominational education.
7. Municipal purposes, parks, playgrounds and public utilities.
8. Farm, market garden, nursery or greenhouse, including the sale of agricultural products the major portion of which are raised on the premises, providing such use is not injurious, obnoxious, or offensive to the neighborhood.
9. Such accessory uses as are customarily incidental to the foregoing uses, including a private garage for not more than three motor vehicles, a private stable, a tool house and other similar buildings for domestic storage and use, including the storage of boats.
10. Any of the following uses, if permission is obtained in each specific case from the Board of Appeals. Such permission shall be granted only where the use is in harmony with the general intent and purpose of this by-law.
 - a. Conversion of a house existing at the time of the adoption of this by-law into a multiple dwelling or apartment house for more than two families, provided that adequate parking or garaging is furnished on the premises for at least one motor vehicle per family unit.
 - b. Nursery school or private school.
 - c. Club whose chief activity is not customarily carried on as a business.
 - d. Boarding or lodging house for more than five persons.
 - e. An institution of a philanthropic or charitable character.
 - f. Hospital, sanitarium, funeral parlor, nursing home, or other similar use.

B. Business District. In a business district, only the following uses are permitted:

1. Any purpose authorized in a residence district, subject to the same conditions as therein specified.
2. Hotel, restaurant or other food establishments.

ANNUAL REPORT, TOWN OF COHASSET, 1955

3. Business or professional office, bank, store, salesroom or showroom, and any retail business, trade or service not involving manufacturing.

4. Business or public garage, gasoline filling station, service station or garage repair shop.

5. Hall, club or other place of public or semi-public assembly.

6. Any industry or manufacturing if permission is obtained from the Board of Appeals in each specific case, provided that the Board finds such use is not injurious, dangerous, obnoxious or offensive to a neighborhood.

7. In addition to the foregoing uses, such industry, trade and light manufacturing may be carried on in any building or structure or on any premises as are customary and reasonably necessary in connection with such uses as are authorized herein or are permitted by the Board of Appeals, and are incidental to the primary use; provided that no industry, trade or manufacturing shall be carried on which is injurious, dangerous, obnoxious, or offensive to a neighborhood.

C. Earth Removal. Except for such removal as is incidental to the grading of a lot, or for construction, or for the excavation of a well, cesspool or structure incidental to the construction or use of a building, or incidental to the operation of a nursery, greenhouse or farm, the removal of sod, loam, sand, gravel, clay or quarried stone from any Residence District is prohibited unless permission in each specific case is granted by the Board of Appeals.

D. Trailers. No trailer designed or used for living purposes whether on wheels or otherwise shall hereafter be allowed to remain in the Town for a total of more than thirty days in any twelve month period, except when stored but not used; provided, however, that the Board of Appeals after a public hearing may permit such use on a temporary basis for a longer period. No "trailer coach park," as defined in Chapter 140 of the General Laws, shall be permitted in the Town.

Section 5. ENFORCEMENT.

A. The Board of Selectmen shall enforce the provisions of this by-law.

B. 1. If written complaint is made to the Selectmen or the Selectmen have reason to believe that any provision of this by-law is being or is about to be violated they shall make or cause an in-

vestigation to be made of the facts. Where complaint is made to the Selectmen they shall take their action upon such complaint within fifteen days of receipt thereof and shall report such action in writing to the complainant.

2. If the Selectmen find no violation or prospective violation, any person aggrieved by their decision, or any officer or Board of the Town, may within ten days appeal to the Board of Appeals.

3. If the Selectmen find a violation or prospective violation, they shall give immediate notice in writing to the owner and to the occupant of the premises and shall order him to cease and desist and refrain from such violation. Any person aggrieved by their decision, or any officer or Board of the Town, may within ten days appeal to the Board of Appeals.

4. If, after such order, such violation continues and no appeal to the Board of Appeals is taken within ten days, the Selectmen shall forthwith make application to the Superior Court for an injunction or order restraining the violation and shall take such other action as is necessary to enforce the provisions of this by-law.

C. If, after action by the Selectmen, appeal is taken to the Board of Appeals, and after a public hearing, the Board of Appeals find that there has been a violation or prospective violation, the Selectmen shall issue an order to cease and desist and refrain from such violation unless such order has been previously issued under Section 5B3. If such violation then continues, the Selectmen shall forthwith make application to the Superior Court for an injunction or order restraining the violation and shall take such other action as many be necessary to enforce this by-law.

Section 6. BOARD OF APPEALS.

A. There shall be a Board of Appeals of three members and two associate members appointed by the Selectmen as provided in General Laws, Chapter 40A, Section 14, which shall act on all matters within its jurisdiction under this by-law, in a manner and with the powers provided in said Chapter 40A of the General Laws.

B. After giving due notice and holding a public hearing, the Board of Appeals shall have the power:

1. To hear and decide appeals from any person aggrieved by any order or decision of the Board of Selectmen, or from any officer or Board of the Town regarding alleged violations of any provision of this by-law, providing such appeal is filed in writing within ten

ANNUAL REPORT, TOWN OF COHASSET, 1955

days from the date of such action. No action shall be taken in a matter upon which an appeal is pending until after the Board of Appeals have rendered their decision.

2. To hear and decide applications for special permits as provided in Sections 2, 3 and 4 of this by-law. In granting such permits, the Board of Appeals may require appropriate conditions and safeguards.

3. To authorize with respect to a particular building or parcel of land a variance from any of the terms of this zoning by-law where, owing to conditions especially affecting said building or parcel, a literal enforcement of the provisions of this by-law would involve substantial hardship to the owner of said building or parcel and where desirable relief may be granted without substantial detriment to the public good and without substantial derogation from the intent or purpose of such zoning by-law, but not otherwise.

4. To impose such limitations and restrictions both of time and of use as a condition to such variances granted as the Board may deem desirable in each case for the protection of adjoining owners and the neighborhood.

C. Applications for Permit or Variance. Every application to the Board of Appeals for a permit or variance, and every appeal from a decision of the Board of Selectmen, shall be filed in writing with the Town Clerk who shall transmit such application or such appeal to the Board of Appeals.

D. Public Notice and Hearing. Within twenty days after receipt of any application for a permit or variance, or appeal from a decision of the Board of Selectmen, the Board of Appeals shall hold a public hearing on the application or appeal, render a decision and file a copy of the decision with the Town Clerk within twenty (20) days after the hearing. The Board of Appeals may make such rules and regulations as it deems necessary for a proper disposition of such application and appeals, and shall see that adequate notice of any hearing is given to the public, the Planning Board, the owners of all real estate within five hundred (500) feet in any direction from the property to which the application or appeal relates, and to such other persons who, in their opinion, might be affected by their decision.

Section 7. APPEAL TO SUPERIOR COURT.

Any person aggrieved by a decision of the Board of Appeals, whether or not previously a party to the proceedings, or any officer

or Board of the Town of Cohasset, may appeal to the Superior Court, provided that such appeal is filed in said Court within fifteen days after such decision is recorded.

Section 8. AMENDMENTS.

This by-law or any part thereof may be modified or repealed as provided by law at a town meeting duly called, except that no proposed change in this zoning by-law shall be considered by the town meeting within two years after the date of previous unfavorable action unless adoption of such proposed change is recommended by the Planning Board.

Section 9. DEFINITIONS.

For the purposes of this by-law, the following terms, phrases, words and their derivations shall have the meaning given herein. When not inconsistent with the context, words used in the present tense include the future, words in the plural number include the singular number, and words in the singular number include the plural number. The word "shall" is always mandatory and not merely directory.

1. "Building" is a structure, except a trailer, which is designed, built, or occupied as a shelter or roofed enclosure for persons, animals or property, or used for residential, business, merchantile, storage, commercial, industrial, institutional, assembly, educational or recreational purposes.

2. "Constructed" shall include the words "built," "erected," "altered," "enlarged," "moved" and "placed."

3. "Dwelling" is a building designed or used as the living quarters for one or more families.

4. "Family." One or more persons living and cooking together on the premises as a single housekeeping unit.

5. "Frontage" is that portion of a lot extending along any street or private way which provides the principal access to the lot.

6. "Lot" is a parcel of land occupied or capable of being occupied by one building, and the accessory buildings and uses customarily incident to it, including open spaces, whether required by this by-law or not.

7. "Premises" is a lot, together with all buildings, structures and uses thereon.

8. "Structure" is anything constructed or erected which required location on the ground, or attached to something having location on the ground, including signs, billboards, tanks, gasoline pumps, but not including fences or walls used as fences.

Section 10. EXISTING BY-LAWS NOT REPEALED.

Nothing contained in this by-law shall be construed as repealing or modifying any existing by-law or regulation of the Town, but shall be in addition thereto; and if this by-law imposes greater restrictions upon the construction or use of buildings, structures or premises than other by-laws or provisions of law, such greater restrictions shall prevail.

Section 11. INVALIDITY.

The invalidity of any section or provision of this by-law, or of any boundary line, or of any district or part thereof as laid down upon the zoning map, shall not affect the validity of any other section or provision of the by-law, or of any boundary line, or of any other district or part thereof as laid down upon the zoning map.

So much of this by-law as is approved by the Attorney General shall take effect upon its publication as required by General Laws, Chapter 40, Section 32.

MOVED AND VOTED, unanimously, by a voice vote, that the meeting proceed with the consideration of the first article of the warrant,—that after discussion and disposition of Article 1 by the vote of this Town Meeting, the meeting be adjourned to Tuesday, November 8, 1955 at 8:00 P. M. at the auditorium of the Ripley Road School for consideration of Articles 2 to 8 inclusive of the warrant.

MOVED AND VOTED, by a voice vote, that all discussion, pro and con, in regards to this Zoning by-law be terminated at 10:30 P. M., this evening, Monday, November 7, 1955, and that a vote be taken by a yes and no ballot with the use of a check list immediately.

MOVED AND VOTED, unanimously, by a voice vote, that this meeting wave the reading of this article word by word and discuss the By-Law section by section.

MOVED AND SECONDED, that this Town Meeting adopt as a By-Law of the Town the proposed "Zoning By-Law for the Town of Cohasset, Massachusetts" and set forth in Article 1 of the Warrant, with the following changes:

ANNUAL REPORT, TOWN OF COHASSET, 1955

1. In the preamble, under the caption "Purpose," insert in the first line after the words, "A by-law" the words, "enacted in accordance with General Laws (Tercentenary Edition) Chapters 40 and 40A and amendments thereto," to read as follows:

"A by-law enacted in accordance with General Laws (Tercentenary Edition) Chapters 40 and 40A and amendments thereto, to promote the health, safety, convenience and welfare of the inhabitants, to facilitate and adequate provision of streets, water, schools and other public requirements, and to improve and beautify Cohasset by districting the Town, and governing the use of buildings, structures and premises therein with due consideration given to the geography, topography, and history of the Town."

2. In Section 3. B under the caption "Non-Conforming Lots," substitute the following:

If any lot in Residence A district or Residence B district was duly recorded by deed or plan at the Norfolk County Registry of Deeds or was duly registered with the Land Court on or before July 1, 1955, or was approved by the Planning Board on or before July 1, 1955, the requirements of this by-law for area, frontage, or lot width at construction line shall not apply provided that such lot is in one of the following categories:

(a) Being in Residence A district, it has an area of 9,000 square feet.

(b) Being in Residence B district, it has an area of 15,000 square feet.

(c) Being in either Residence A district or Residence B district, it is a separate single lot, not contiguous on or before July 1, 1955 to any other lot of the same ownership or any combination of such lots which are contiguous and in the same ownership on or before July 1, 1955 so long as such combination remains undivided.

3. In Section 3. C. 1, in the second line after the words, "extended within," strike out the words "85 feet" and substitute the words "50 feet," to read as follows:

"In any Business District, no building or structure shall be constructed, reconstructed or extended within 50 feet of the street on which it fronts, unless on July 1, 1955 there was a building existing and used for business purposes on the same or an adjacent lot within 200 feet of the proposed building or structure, in which case such proposed building or structure may be as near the street as the aforesaid existing building, but no nearer."

ANNUAL REPORT, TOWN OF COHASSET, 1955

4. In Section 5. A, add the words, "as provided in sub-sections B and C of this section, but nothing in the By-Law shall authorize the Board of Selectmen to require a permit of any person before constructing, reconstructing, extending or repairing a building or structure or for using a building, structure or lot."

And I further move that the Town adopt the map now on file at the office of the Town Clerk, with the following change:

At the southerly junction of Chief Justice Cushing Highway and King street, reduce the strip of Residence B district on the east side of King Street now shown as 20 feet wide to a width of 5 feet along the east side of King Street, and put the remaining 15-foot width of this strip to the east in the Business District (red on map). The length of the strip from north to south is unchanged.

AMENDMENT TO SECTION III C. From a setback of 50 feet to a setback of 12 feet from the highway bound which make a setback of 32 feet from hard surface.

AMENDMENT defeated by a voice vote.

At 10:10 P. M. the discussion on the Zoning By-Law ended and the Moderator ordered the yes and no ballot to begin with the use of the check list. At 11:15 P. M. voting ended and the Tellers proceeded to count the ballots. There were 1144 names checked on the Voting Check List. The tellers counted 1136 votes and at 11:40 P. M., the following vote was declared:

YES, 665: NO, 471.

At 11:40 P. M., the meeting was adjourned until Tuesday, November 8, 1955 at 8:00 P. M.

Tuesday, November 8, 1955

Checkers previously appointed for entrance by the Selectmen and sworn in by the Assistant Town Clerk reported to work at 7:15 o'clock P. M.

The Moderator opened the meeting at 8:20 P. M. The number of voters present as checked on the incoming voting lists was 252.

ARTICLE 2. To hear and act upon the report and recommendations of the Committee appointed under Article 12 of the Warrant for the 1955 Annal Town Meeting to investigate drainage conditions in the James Brook area and to see if the Town will appropriate the sum of \$10,000 for the use of said Committee to

ANNUAL REPORT, TOWN OF COHASSET, 1955

further investigate the drainage conditions in the James Brook area and its tributaries and for the full and complete investigation with respect to the water sheds, water courses, ponds, brooks, streams, marshes, inland waters, harbors and coves in any area of the Town, the flow therefrom or thereto and contamination thereof and the means of correcting and alleviating flood conditions or contamination therein including conditions related to the run-off of percolating and surface waters and sewerage entering or likely to enter therein, and to take any other or further action relative thereto, including petitioning the General Court for assisting legislation.

MOVED: That the Report of the Committee appointed under Article 12 of the Warrant for the 1955 Annual Town Meeting to investigate drainage conditions in the James Brock area be accepted as one of progress and that the sum of \$10,000 be and hereby is appropriated from surplus cash in the Treasury for the use of said Committee to further investigate the drainage conditions in the James Brook area and its tributaries and for the full and complete investigation with respect to the water sheds, water courses, ponds, brooks, streams, marshes, inland waters, harbors and coves in any area of the Town, the flow therefrom or thereto and contamination thereof and the means of correcting and alleviating flood conditions or contamination therein including conditions related to the run-off of percolating and surface waters and sewerage entering or likely to enter therein as said Committee may deem necessary or expedient and be it further moved that the Committee be enlarged by the appointment to it of Nathan W. Bates and Dr. Brooks Ryder, and that such vacancies as may occur shall be filled by appointment by the Moderator.

AMENDMENT TO ARTICLE 2. Move that the appropriation under Article 2 be amended to appropriate \$1,000 to study the James Brook problem and report at the next Town Meeting.

AMENDMENT DEFEATED, by a voice vote.

VOTED, by a voice vote in the affirmative to accept the motion under Article 2.

ARTICLE 3. To see what action the Town will take in regard to instructing its Town Counsel to investigate the legality of allowing the Water Department to get funds in an emergency from the reserve fund as provided in Section 6 of Chapter 40 of the General Laws, and if he feels that legislation be needed to enable this procedure, to present a suitable act for consideration at the next March Town Meeting.

ANNUAL REPORT, TOWN OF COHASSET, 1955

VOTED, by a voice vote, that the Town Council be and hereby is instructed to investigate the legality of allowing the Water Department to get funds in an emergency from the Reserve Fund as provided in Section 6 of Chapter 40 of the General Laws and if legislation be needed to enable this procedure to prepare a suitable act for presentation to the General Court by petition of the Selectmen for consideration and acceptance at the next March Town Meeting.

THE WATER INVESTIGATION COMMITTEE made a report of progress.

MOVED AND VOTED, unanimously, by a voice vote, that the report of the Water Investigation Committee be accepted as a report of progress.

MOVED: That Article 5 be taken up before Article 4.

VOTED, by a voice vote, in the negative.

ARTICLE 4. To see whether the Town will instruct its Water Commissioners to determine the cost of purchasing for, and installing suitable water meters in, the water supply lines of all its active service lines, and to insert an article authorizing this work, and calling for a bond issue of the amount necessary to pay for it.

VOTED, by a voice vote, that the Water Commissioners be instructed to determine the cost of purchasing for, and installing suitable water meters in, the water supply lines of all its active service lines and to insert or cause to be inserted an article authorizing this work and calling for a bond issue of the amount necessary to pay for it at the next March Town Meeting.

Resolution by Louis E. Salvador

RESOLVED: That the Moderator appoint a committee of nine Cohasset Citizens, three of whom are to be the Selectmen, to meet with the officers of the New England Telephone and Telegraph Company and promote the proposition of building their proposed \$2,000,000. building here in Cohasset.

VOTED, unanimously by a voice vote, to adopt this resolution.

ARTICLE 5. Will the Town instruct its Water Commissioners to devise a system of quarterly water charges to all customers (excepting the Town) on a straight volume basis with no reduction for large or commercial customers in such a manner that the total income from all customers will equal the Department's budget

ANNUAL REPORT, TOWN OF COHASSET, 1955

total including any added cost of operation due to metering a quarterly billing. The aforementioned new rates are to go into effect for the first whole quarter following the completion of meter installation.

MOVED: That the Water Commissioners be and hereby are instructed to devise a system of quarterly water charges to all customers (excepting the Town) on a straight volume basis with no reduction for large or commercial customers in such a manner that the total income from all customers will equal the Department's budget total including any added cost of operation due to metering a quarterly billing; the aforementioned new rates to go into effect for the first whole quarter following the completion of meter installation.

MOVED AND VOTED, by a voice vote, that this article be laid on the table.

ARTICLE 6. Will the Town instruct its Water Commissioners to bill its customers on a quarterly basis, for $\frac{1}{4}$ the annual charge at each billing.

VOTED, unanimously, by a voice vote, that this article be indefinitely postponed.

ARTICLE 7. To see what action the Town will take in regard to having a continued study made of the Water situation for the next three years either by a new or existing committee.

VOTED, unanimously, by a voice vote, that the present Water Investigation Committee be and hereby is continued for the purpose for which it was appointed, and that up to four more new members be appointed by the Moderator.

ARTICLE 8. To see whether the Town will appropriate the sum of \$5,000, all or any part of which may be used to match Federal Civil Defense funds in the purchase and installation of a 75 k.w. 60 cycle, 220 v. generator and diesel driving engine for installation as an emergency power supply unit at the Beechwood Pumping Station and the purchase and installation arrangements of a 10 k.w. 60 cycle, 220 v. portable gasoline or diesel-driven generator set for use as an emergency power supply unit at the Lily Pond substation. If the units be purchased under the foregoing conditions and if there be an unspent portion of the \$5,000, said unspent portion may be applied to any unforeseen cost of installation, even though the portion is not matched by federal funds.

VOTED, unanimously, by a voice vote, that the Town appropriate the sum of \$5,000.00, all or any part of which may be used

ANNUAL REPORT, TOWN OF COHASSET, 1955

to match Federal Civil Defense funds in the purchase and installation of a 75 k.w. 60 cycle, 220 v. generator and diesel engine for installation as an emergency power supply unit at the Beechwood Pumping Station, and the purchase and installation arrangements of a 10 k.w. 60 cycle, 220 v. portable gasoline-driven generator for use as an emergency power supply unit at the Lily Pond substation. If there be an unspent portion of the \$5,000.00, this may be applied to any unforeseen cost of installation, even though the portion is not matched by federal funds.

MOVED AND VOTED, unanimously, by a voice vote at 10:25 p.m. that this meeting be dissolved.

Attest:

CHARLES A. MARKS,
Assistant Town Clerk.

TOWN CLERK'S REPORT

ELECTION OF MARCH 12, 1955

Town of Cohasset

The following Election of Officers were sworn in by Town Clerk William H. Morris at 5:55 a.m.:

Charles J. Deegan	Virginia M. Rego
Harry A. Hetue	Alexander Rose
Elizabeth L. Jerome	Henry E. Sweeney
Elizabeth A. Lee	Leonora K. Whittaker

The Town Clerk read the Warrant:

To cast and/or give in their votes upon the official ballot for the following officers: Selectmen, Assesor and Member of the Board of Public Welfare for three years each; Two Members of the School Committee for three years each; Five Constables for one year each; One Member of the Board of Health for three years; Three Trustees of the Cohasset Free Public Library for three years each; One Member of the Planning Board for five years; Town Collector of Taxes for three years; Town Treasurer for three years; One Water Commissioner for three years; and to cast and/or give in their votes upon the following questions:

QUESTION: Shall an act passed by the General Court in the year nineteen hundred and fifty-five, providing that the average weekly hours of duty in any year for the permanent members of the uniformed fire-fighting force of this town, other than hours during which such members may be summoned and kept on duty because of conflagrations, shall not exceed fifty-six in number, be accepted?

QUESTION: Are you in favor of the fluoride supplementation of the Cohasset Water supply?

The Polls opened at 6:00 o'clock a.m. Proceeded to vote for Town Officers on the Official Ballot.

The following Tellers were sworn in by the Town Clerk at 12:00 o'clock noon:

Manuel A. Marks	Herbert L. Jason
Louise M. Ahearn	Emma F. Lawrence
Grace A. Bowser	Robert A. Leonard

WILLIAM H. MORRIS,
Town Clerk.

VITAL STATISTICS

Records of Births, Marriages and Deaths

Recorded in 1955

Births

Total number of births recorded was one hundred and eighteen of which thirty-three were delayed returns and corrections of past years, one being born in Cohasset and eighty-four in other cities and towns. Of the eighty-five born in the year 1955 there were none where the parents were residents of other cities and towns. Of the eighty-five whose parents were residents of Cohasset, forty-eight were males and thirty-seven were females.

Marriages

Total number of marriages was forty-six including those where both parties were non-residents of Cohasset. Twenty-seven marriages were solemnized in Cohasset during the current year.

Deaths

Total number of deaths was sixty-six including residents of Cohasset who died elsewhere and non-residents who died in Cohasset. Of the fifty-three who were residents of Cohasset, thirty-four were males and nineteen were females.

The principal causes of death were as follows:

Premature birth	2	Carcinoma of cervix	2
Cerebral hemorrhage	10	Myocarditis	2
Peritonitis, perforated peptic ulcer	1	Pulmonary thrombosis	1
Virus pneumonia	1	Carcinoma pancreas	1
Pneumonia	2	Cardiac decompensation ..	1
Hypertensive heart disease. .	6	Coronary thrombosis	4
Basal skull fracture, auto accident	1	Multiple myeloma	1
Drowning	1	Prostatic carcinoma	1
Arteriosclerosis	1	Coronary heart disease	1
Arteriosclerotic heart disease	4	Carcinoma of the prostate .	1
Bronchial pneumonia	3	Hydrocephalus	1
Obstructive jaundice	1	Stillborn	2
		Self inflicted razor wounds of left art and neck with hemorrhage	1

ANNUAL REPORT, TOWN OF COHASSET, 1955

Pulmonary Metastasis	1	Coronary occlusion	5
Chronic myocarditis	3	Cirrhosis of liver	1
Carcinoma of stomach	1	Strangulation and suffoca-	
Rupture of duodenal ulcer with		tion	1
peritonitis	1		

PARENTS, BE SURE TO RECORD THE BIRTH OF YOUR CHILD WITH GIVEN NAME IN FULL

"Parents, within forty days after the birth of a child and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the Clerk of the Town where such child is born." — General Laws, Chapter 46, Section 6.

Many times returns are made by doctors and hospitals before a child has been named. Make certain your child's name is recorded.

SOME OF THE REASONS WHY BIRTHS SHOULD BE RECORDED

To establish identity.

To prove nationality.

To prove legitimacy.

To show when the child has a right to enter school.

To show when the child has the right to seek employment under the child labor laws.

To establish the right of inheritance of property.

To establish liability to military duty, as well as exemption therefrom.

To establish the right to vote.

To qualify to hold title to and buy and sell real estate.

To establish the right to public office.

To prove the age at which the marriage contract may be entered into.

To make possible statistical studies of the health conditions.

Your co-operation to the end that all births may be properly recorded will be greatly appreciated.

WILLIAM. H. MORRIS,
Town Clerk.

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Cohasset:

The administration of the Town's business has given your Board of Selectmen a very busy year, but at the end of it they can report that in spite of many problems, all the work under their jurisdiction has gone well forward. The Town is in a good sound financial condition. The Town buildings are all in good repair, with all necessary repairs and maintenance completed.

The articles of the Warrant for which the Selectmen were responsible have been carried through:

1. A committee for the study of flood conditions on James Brook was appointed, and has worked hard and faithfully on this major problem.
2. The Marine Ramp on Parker Avenue is completed.
3. The contract for the widening of Hull Street, under Chapter 90, has been signed jointly by Cohasset and Hingham, and will be started in the spring of 1956.
4. The program for Group Insurance was completed, and there are now 140 persons insured, 1 death claim was paid.
5. At the request of the Selectmen, the New England Telephone and Telegraph Company made a survey of the telephone service in the Town Offices. However, this survey did not recommend changes which seemed financially advantageous to the Town. The question of telephones in the homes of Town Officials is still under consideration.
6. The fence around the Park at Depot Court was installed.
7. The contract for the Building for Fluoridation purposes was agreed upon with the Water Commissioners.
8. The contract for the building of a sidewalk on Pond Street was signed and the work started. The completion date for this project is June 1956.
9. The purchase of generators for emergency under Civil Defense, authorized at the Special Town Meeting on November 7, 1955, is still under advisement.

ANNUAL REPORT, TOWN OF COHASSET, 1955

10. The drainage on Clay Spring Road is completed.

One of the major problems of the year was created by the Flood of August 18th, which called all departments of the Town into action. Many of the citizens of Cohasset were affected, some damage was done to personal property, but the Town property suffered very little damage. We can all be very thankful that there was no greater emergency.

It is with a great sense of loss to the Town that the Selectmen report the sudden death on November 17, 1955, of William T. Barnes, the Highway Surveyor for Cohasset for eighteen years. In the emergency thus created, your Board of Selectmen appointed Manuel P. Silvia as Highway Surveyor until the next Election.

The Board of Selectmen wishes to thank all Departments, Boards, and Committees and all civic minded citizens and groups for their co-operation and interest in the work which is needed to make Cohasset a Good Place to Live.

Respectfully submitted,

NORMAN C. CARD

IRA B. P. STOUGHTON

HELEN E. SCRIPTURE

Board of Selectmen.

REPORT OF THE COMMITTEE ON TOWN HISTORY

To the Honorable Board of Selectmen:

The third and final draft of the manuscript of the new volume of the *Narrative History of Cohasset* is now complete. It will be in the hands of the printer by March, and should be on sale at the Town Treasurer's office some time in the fall of 1956.

Special thanks are extended by the Committee to Gilbert S. Tower, one of its members, who has compiled for the volume the finest map of Cohasset ever drawn. This map will be folded in a pocket in the back of the book. We are also particularly grateful to Miss Charlotte S. Tower and Miss Lucy Treat for unremitting toil in checking and proofreading the entire manuscript for the author, and to Nathan Bates for assembling the photographs. Bur-

ANNUAL REPORT, TOWN OF COHASSET, 1955

tram Pratt's truly remarkable manuscript is so fascinating that it deserved to have every possible advantage of good editorial work and fine illustration which the Committee could afford. Publication has been somewhat delayed in the process but the Town will be the gainer in the long run by having a better book.

Circulars advertising the publication of the volume will be mailed to all householders in the Town when the book goes on sale. Cohasset will be proud of its twentieth century *History*.

For the Committee on Town History,

HENRY F. HOWE,
Chairman.

REPORT OF HIGHWAY SURVEYOR

To the Citizens of Cohasset:

Your Highway Surveyor's report for the year ending December 31, 1955 is as follows:

The spring street cleaning was attended to early in the season and was followed by repairs to the roads that were damaged by frost upheaval. Many of the fences about town were repaired or replaced and painted.

The following streets were tarred and stoned: North Main Street, Joy Place, South Main Street, Oak Street, Ash Street, Norfolk Road, Border Street, Elm Court, Beechwood Street, King Street, Pleasant Street, and Forest Circle.

New drains were constructed on Cushing Road, Atlantic Avenue and Jerusalem Road.

Safety flashing lights were installed on three of the Highway Department trucks.

I wish to thank the Town Officials and the Citizens of Cohasset for their cooperation and many helpful suggestions during the past year.

Respectfully submitted,

MANUEL P. SILVIA,
Highway Surveyor.

BOARD OF REGISTRARS REPORT

Meetings for Registration of Voters and correcting voting list:

January 19, 1955 7:30 P.M. to 9:00 P.M.

Febrary 2, 1955 7:30 P.M. to 9:00 P.M.

February 5, 1955, from 4:00 P.M. to 6:00 P.M. to certify papers of candidates. Papers had to be filed by 5:00 P.M. of this date.

February 12, 1955 12:00 Noon to 10:00 P.M.

Last day of Registration before Annual Town Meeting.

Meetings of the following dates for Registrations and correcting voting list:

April 15, 1955 7:30 P.M. to 9:00 P.M.

May 11, 1955 7:30 P.M. to 9:00 P.M.

May 25, 1955 7:30 P.M. to 9:00 P.M.

June 8, 1955 7:30 P.M. to 9:00 P.M.

June 24, 1955 7:30 P.M. to 9:00 P.M.

Notices sent out July 24, 1955, to people who were not listed on Police census of January 1, 1955. Date set for replies to notices:

October 11, 1955 7:30 P.M. to 9:00 P.M.

Registration and certifying nomination papers:

October 18, 1955. Last day to file papers for nomination. Papers had to be filed by 5:00 P.M. of this date.

October 26, 1955 12:00 Noon to 10:00 P.M.

Registration and making R. and D. Lists for Special Meeting for State Primaries.

Special State Primary Election November 15, 1955

November 16, 1955 12:00 Noon to 10:00 P.M.

Last day to register for Special Election for Representative.

December 6, 1955 Special State Election

ANNUAL REPORT, TOWN OF COHASSET, 1955

State census taken starting January 1, 1955. Total count was 4,729.

Total number of registered voters as of January 1, 1955 2892

Total number of persons registered during 1955 193

Total 3085

Total number of names removed from the voting list by
reason of death, request, and removal to other towns
during 1955 40

Total number of registered voters as of January 1, 1956 . . . 3045

JOSEPH S. DUNN
WILLIAM H. MORRIS, Clerk
Board of Registrars.

REPORT OF SEALER OF WEIGHTS AND MEASURES

To: The Honorable Board of Selectmen
Cohasset, Massachusetts

Gentlemen:

I herewith submit my report as Sealer of Weights and Measures for the year ending December 31, 1955.

All weighing and measuring devices have been tested: 170 were sealed.

The amount of \$102.65 for sealing fees was collected and paid to the Town Treasurer.

Respectfully submitted,

GORHAM L. BATES,
Sealer.

REPORT OF THE SOUTH SHORE MOSQUITO CONTROL PROJECT

To the Citizens of Cohasset:

Submitted herewith is the report of the South Shore Mosquito Control Project of its activities in the town of Cohasset for the year ending December 31, 1955.

The town of Cohasset appropriated \$4,500 for mosquito control for 1955. This money was used for mosquito control in the town of Cohasset by the South Shore Mosquito Control Project, a co-operative effort embracing the city of Quincy, and the towns of Braintree, Cohasset, Duxbury, Hingham, Hull, Marshfield, Scituate and Weymouth.

TYPE OF CONTROL PROGRAM

The basic program of control continued to be based on drainage in the off season and larvaciding of all areas found to be breeding during the mosquito season. This was supplemented by the use of a fog generator to combat flying mosquitoes.

AERIAL SPRAYING

The spring spraying of all fresh water swamps, too large to be treated by hand, was done in the latter part of April.

In June it became evident that migration of adult mosquitoes from uncontrolled areas outside the project was occurring. In addition, it was clear that in certain areas, swamps which had been sprayed in April had produced a second batch of mosquitoes. Therefore, an additional treatment was applied.

1,330 acres were sprayed by air in the town of Cohasset.

GROUND SPRAYING

The ground crews circulated on a schedule throughout their sections of the project. They varied from this circuit to treat in the vicinity of complaints or to treat places found breeding by the superintendent or the inspector. Then they returned to their rounds.

Following the heavy floods of August, these crews bore an exceptionally heavy load. Breeding of mosquitoes was found in practically every wet spot including lawns and areas never in the

ANNUAL REPORT, TOWN OF COHASSET, 1955

history of the project found to be wet. Crews worked overtime during that period spraying all areas they could find.

CATCHBASIN SPRAYING

This important phase of urban mosquito control was attacked for the first time by the project this past year.

In June the three-wheeled Cushman Truckster purchased last winter, was put into service. By August, a three-wheeled motorcycle and its equipment had been delivered. This was in service for the rest of the season.

In addition to the two units mentioned above, treatment of catchbasins was also done from the crew trucks by means of a hydraulic sprayer.

All catchbasins were treated twice during the season and some three times.

Next year we shall be able to begin the year with two units and expect to have a third one in service by July 1. It is anticipated that all basins will be treated at least three times and, if found necessary, a fourth treatment will be applied.

DRAINAGE

Drainage and elimination of mosquito breeding places has been considered the keystone of mosquito control by leaders in the mosquito control field from the very beginning.

The project has limited its action to work on the minor streams in the area. The altering of major water courses requires detailed engineering study and considerably more equipment or money for contracting for such equipment than this project has available.

The August floods, while they produced large broods of mosquitoes at the time, had an additional and even more costly effect on the operation of the project when one considers the drainage problem.

Many of the streams and culverts previously cleaned were re-filled with debris and sand and must receive further attention. Some drainage formerly considered to be in fair shape has now become critical. In addition, the floods in many cases made bad situations even worse.

The above has greatly increased the amount of work the project must do.

ANNUAL REPORT, TOWN OF COHASSET, 1955

The matter of drainage on the salt marshes has been approached from a different viewpoint this year. In former years all such work was done by hand. This year the project purchased an Oliver OC-6, crawler type tractor equipped with a scavel plow.

This plow is designed specifically for cleaning standard salt marsh ditches. In addition, it is possible to cut new ditches with the machine by making several trips along the line of the desired ditch, each trip digging deeper than the last.

The first time a ditch is cleaned with this machine, two or sometimes more trips down the ditch are necessary to push out the accumulation of mud and debris. It is expected that after a ditch has once been cleaned, the ditch will be relatively clean and the sides relatively square. Under these conditions only one trip per ditch will be necessary and much more rapid coverage of the marshes will be possible in future years.

Although this machine is very efficient, it is by design limited to salt marshes and similar fresh water situations. It must be complemented by hand work where ditches are too wide and where terrain is too rough.

In the town of Cohasset, 5,325 feet of ditches have been cleaned, 3,075 feet reclaimed and 225 feet of new ditch has been dug. This figure includes both fresh and salt water marsh work.

FOGGING

This past two seasons the project has had in operation a Todd Insecticidal Fog Applicator, commonly called a Tifa. This machine emits a fog containing small particles of insecticide which drifts with the air currents over the area, wiping out all mosquitoes and other flying insects contacted.

The machine is of considerable value in cutting down invasions of mosquitoes from large breeding places and is our only means of control in areas where our chemicals may contaminate water supply.

The emergence of large numbers of mosquitoes following the floods of August demanded that this machine be operated every night conditions permitted. This work was, for the most part, in excess of figures budgeted for labor and insecticides. Provisions have been made for such work in plans for next year's operations.

ANNUAL REPORT, TOWN OF COHASSET, 1955

EQUIPMENT

Equipment now on hand:

- 1, Ford F-350 truck
- 2, Ford F-250 trucks
- 1, Ford F-100 truck
- 1, Willys 1 ton truck
- 1, Chevrolet Handyman
- 1, Oliver OC-6-68 tractor with scavel plow
- 1, trailer for transporting tractor
- 1, Cushman Truckster (catchbasin unit)
- 1, Harley-Davidson Servi-car (catchbasin unit)
- 3, 50 gal. Bean hydraulic sprayers
- 1, Todd Insecticidal Fog Applicator
- 1, Hoffco power brushing tool
- 1, Gorman-Rupp centrifugal pump
- Pack Sprayers
- Various hand ditching tools

Equipment to be added:

- 1, Catchbasin unit
- Miscellaneous hand tools

PLANS FOR WINTER

Throughout the months between the past and coming mosquito breeding seasons much attention will be given to ditching. Work on the salt marsh will be done in the Fall and early Spring and the colder Winter months will be spent in the more protected fresh water areas.

When snow and ice conditions are right, pre hatch dusting, as was done the last two years, will be done. The success of last year's work along these lines makes it feasible to expand this program to as much as help and weather permit.

In addition to the ground dusting noted above it is planned to make small scale pre hatch application of DDT dust and DDT granulated insecticide from the air.

Success with either or both materials would enable us to split our application to spray breeding swamps between late winter and early spring. This would relieve the spring work load, which is now very heavy, make it possible to pick optimum weather conditions for application, and relieve the pressure on the air spray companies who are in demand everywhere at that time of the year.

PLANS FOR NEXT YEAR

All phases of the work carried on last year will continue. Two phases will be intensified: catch basin work and ditching. Modifications will be applied to the fogging program.

Since weather conditions and terrain have such an effect on fogging operations certain changes in materials used in the machine and changes in method of operation will be made, based on the experience of other projects and recent research.

Catchbasin work will be speeded up by the addition of another unit and operation of the present two for a full season. In addition, in line with recent experience elsewhere, the concentration of the spray will be raised. Indications are that longer residual effect will be achieved.

Ditching with the tractor will proceed throughout the Spring, Summer and Fall. This is in contrast to the past when such work was done by hand in the Spring and Fall.

In addition, the crew working with the tractor will be available for fresh water drainage work when tide makes it impossible to work on the salt marsh.

PROBLEMS TO BE SOLVED

The major problems of this project are three: drift in of adults from uncontrolled areas, weather conditions and availability of aircraft at the time of spring spraying, and the condition of main water courses in the several towns.

Events are occurring which point toward the correction of these problems.

In the matter of "drift-in," the formation of this project has increased interest in mosquito control in surrounding areas. There is now before the Legislature a bill to establish mosquito control in all towns of Norfolk County not now in a project. This will give us protection along approximately one-third of our perimeter. In addition, interest has been intensified in other bordering towns so that in the near future we may get protection from these towns.

Weather conditions and availability of aircraft at the proper time for spring application has always been a problem. The superintendent will, therefore, carry on limited field trials of new methods for making such applications during a season when time is not so pressing and good weather can be taken as it occurs.

ANNUAL REPORT, TOWN OF COHASSET, 1955

The recent floods have focused attention on the condition of the major water courses of the area. In many cases these streams are not adequate to carry off the water now entering them from newly built up areas, which in their natural condition tended to absorb the precipitation and thus lessen flood levels. In some cases man-made blockages compound the problem.

It is probable that this problem will be dealt with in the near future, indeed steps have already been taken in several of the towns.

Any strides in this direction will contribute to mosquito control since large ponded areas on the local meadows will be cut down and when the streams are at a low enough level, lateral ditching can be put into the adjacent swampland.

REPORT OF THE WATER DEPARTMENT

To the Citizens of Cohasset:

Sixty-one new services were installed during 1955, bringing the total number of services in use in Town to 1345. Twenty-three services were replaced during the past year.

One hundred ninety-six million gallons of water were pumped during the year. The maximum daily pumpage occurred on July 16, 1955, being 1,078,100 gallons. Maximum weekly consumption was during the week of July 14-21, being 6,311,000 gallons, at an average daily rate of 901,429 gallons. The average daily consumption for the year was 536,986 gallons.

Under Article 29 of the Warrant for the Town Meeting of March 5, 1955, the sum of \$2,000.00 was appropriated for the purpose of providing a comprehensive engineering study of the water distribution system, to be used as a guide for future extensions and reinforcing mains and as a basis for long range construction planning. Accordingly, the services of Camp, Dresser & McKee, Consulting Engineers, of Boston were engaged. Their report, together with the recommendations of the Water Commissioners thereon, will be furnished the Town under separate cover.

We attended two meetings concerning the extension of Metropolitan District Commission water supply to this area. On December 22, 1955, the Commission was notified by letter that the Water

ANNUAL REPORT, TOWN OF COHASSET, 1955

Commissioners were in favor of Cohasset receiving its water supply from this source. In view of the fact that no other Towns in this area have committed themselves likewise, no definite results along this line can be expected in the near future.

The Board of Water Commissioners wishes to extend its thanks to the personnel of the Department and to all Town Departments for their fine cooperation during the year.

Respectfully submitted,

CLARENCE M. PATROLIA, Chairman

SARGENT F. TOWER

WILLIAM H. TAYLOR, Jr.

Board of Water Commissioners.

REPORT OF THE BEECHWOOD CEMETERY COMMITTEE

At the suggestion of the Committee, the Selectmen have had the boundaries of the Cemetery surveyed, all unsold lots staked and vacant areas laid out with workable plans to be made later.

With the resignation of the caretaker in early summer, the work of caring for the Cemetery was taken over by the Tree Department. Available funds at the close of the year made possible the rough grading of a road connecting the older part of the Cemetery on Beechwood Street with that part entered only from Doane Street.

All know available bank books, records, deeds, plans, etc., have been collected and are now in the Town vaults awaiting final legal acquisition of the Cemetery by the Town.

Respectfully submitted,

HOWARD BATES

WALTER C. WHEELWRIGHT, SR.

CHARLES STODDARD

JOSEPH ANDREWS

Applications for installation of Liquified Petroleum Gas ...	18
Permits issued for installation of Liquified Petroleum Gas ..	18
Permits issued for storage of Liquified Petroleum Gas	18
Applications received for the use of dynamite	59
Permits issued for the use of dynamite	59
Permits issued for the use of fires in the open	1333
Radio Messages Received and Transmitted	1864
Air Defense Warning messages received via the Massachu- setts State Police	330
Air Raid test signals transmitted by the Fire Department..	53

STATIONS AND EQUIPMENT

In the past year the Central Fire Station was painted on the exterior. The overhead doorway leading into the area where the Forest Fire truck is kept was widened and a new door installed, making it more suitable for the needs of present day fire apparatus.

With the addition of the new 750 gallon per minute pumping engine and the new Forest Fire Truck the apparatus is in very good condition at the present time. Minor repairs have been made on all units, these repairs were in the line of preventative maintenance, hoping to keep major repairs at a minimum.

RECOMMENDATIONS

I would respectfully recommend for your consideration the following:

1. A more serious and active study of the housing needs of the Fire Department. The present buildings are no longer adequate for the housing of the men and equipment of a modern fire department.
2. The adoption of a suitable building code for the protection of property owners and occupants of the Town.

APPRECIATION

In concluding my report I would like to extend to the citizens of Cohasset, the Honorable Board of Selectmen, the heads and members of all Town Departments my sincere thanks for the fine manner in which they have cooperated with and assisted this department in the past year.

To the officers and members of the Fire Department I would like to take this opportunity to express my thanks for the manner in which they have cooperated and assisted me.

Respectfully submitted,

CHARLES PIEPENBRINK,
Chief of Fire Department
and Forest Warden.

Residents	32
Non-residents	32
Insane commitments	3
Total fines	\$650.00

SUMMARY OF WORK DONE BY THE DEPARTMENT

Accidents investigated, automobiles	114
Buildings found open and locked by the police	414
Calls for inhalator	4
Cars stopped and warned for violations	161
Cars tagged for improper parking	587
Complaints received at Headquarters and investigated by this department	3590
Defects in streets reported to Highway Department	96
Dogs injured by automobiles	13
Dogs killed by automobiles	6
Duty calls from boxes	1750
Fire alarms answered	69
General orders issued to department	36
Hackney licenses issued	2
Hackney operator licenses issued	7
Investigations made for Selectmen on dog complaints	4
Licenses suspended for improper operations of motor vehicles	53
Licenses revoked for improper operation of motor vehicles	9
Mileage of ambulance	4,012
Mileage of patrol cars	60,308
Motorists assisted	83
Motor vehicle registrations suspended	1
Motor vehicle registrations revoked	2
Right to operate motor vehicles suspended	6
Number of days spent in Court by Officers	118
Owners of dogs listed	572
Oxygen calls	31

ANNUAL REPORT, TOWN OF COHASSET, 1955

Parking permits issued to Cohasset residents for parking area at Sandy Beach	2050
Parking permits issued (temporary guests) for parking area at Sandy Beach	914
Permits to carry firearms issued	39
Permits to purchase firearms issued	3
Permits to perform work on the Lord's Day issued	83
Permits to solicit issued	10
Persons listed by Police Department, Chapter 440, Acts of 1938:	
Males	1499
Females	1707
Total	3206
Persons transported in ambulance	116
Persons transported to hospitals and doctor's offices in police cars	20
Radio messages sent out by base radio station, KCA-446	5815
Restitution made in cases (Court Order)	\$64.70
Special attention requested by owners of unoccupied houses	138
Special Police details	601
Street lights reported out to Brockton Edison Company ..	366
Stolen property recovered by Department, valued at	\$1357.90
Suicide attempts investigated	2
Summer homes inspected (number of inspections)	543
Summonses served for other departments	136
Teletype messages sent	75
Violation notices sent, Chapter 90, Section 29A	57

APPRECIATION

The morale of the Department is excellent and it is a pleasure to express my appreciation to the personnel for their loyalty and efficiency in carrying out their assignments.

To Your Honorable Board and to all our Citizens the men of this department join with me in thanking you for the splendid co-operation you have always given the Police Department.

Respectfully submitted,

HECTOR J. PELLETIER,
Chief of Police.

REPORT OF THE BOARD OF HEALTH

To the Voters of Cohasset:

Communicable diseases reported to the Board of Health for the past year were as follows:

Measles	82
German Measles	6
Chicken Pox	30
Dog Bite	17
Meningitis	1
Scarlet Fever	7
Mumps	9
Hepatitis Infections	1
Poliomyelitis	13
Scarletina	3
	<hr/>
	169

Poliomyelitis cases in Cohasset, like many other communities in this area, reached a new high the past year, 13 cases being reported. In two instances, more than one case was reported in the same household for a total of nine households affected.

Preventive measures, in an effort to control the spread of the dreaded affliction, consisted of strict quarantine and isolation of patients and contacts and in addition to this, an adequate supply of Gamma Globulin was kept constantly on hand for the use of town physicians for inoculations of contacts.

A Clinic for the inoculations of Salk Vaccine was held for children of the fourth and fifth grades at the Ripley Road School. One hundred and fifty-six children were inoculated as a preventive measures against Infantile Paralysis with no ill effects reported.

Other Clinics conducted were the annual Diphtheria, Whooping Cough and Tetanus Clinics and the semi-monthly Well Baby Clinics, detailed reports for which as to the number, age, etc., will be found in the District Nurse's report which follows.

Last year was marked by some of the worst rainstorms in history which resulted in unprecedented flood conditions in most sections of the Country. While we in Cohasset were inconvenienced

ANNUAL REPORT, TOWN OF COHASSET, 1955

by flooded cellars and areas, particularly in the section of the Town at the foot of Ripley Road and Smith Place, the Town, compared with adjacent communities, was fortunate in not experiencing serious damage to life and property.

As a result of the floods, a special Committee was appointed for the purpose of investigating the James Brook situation and at a recent Special Town Meeting the Committee was granted an appropriation of \$10,000.00 for that purpose. The Committee is to make a survey of the streams and culverts, engage engineering services and to report with plans for further drainage systems for the elimination of further flood conditions in the vicinity of Ripley Road.

To date, the Committee has made certain suggestions, among these being the elimination of a trap which this Department installed in the center of the Town for the purpose of eliminating odors from a man-hole located there. This has been done together with a thorough job of cleaning the main culvert from Pleasant Street to Brook Street.

The members of this Department are of the opinion that the duties of maintenance of brooks and streams should be delegated to some other Department of the Town. The reason for this is that this Department, for several years, has found it difficult to obtain men in cases of emergency as floods, clearing ponds, etc. Other Departments in Town are not only staffed with full time employees, but also have trucks and other equipment available at all times and which the Board of Health lacks.

The function of the Board of Health is to maintain sanitary conditions and the work of removing debris and weed growth from brooks and ponds does not come under that category. Also, from information obtained from the State Department of Public Health, your Board of Health is the only Department in the State that has jurisdiction, other than that of pollution, of brooks and streams.

Inspection and examination of restaurants and other eating and drinking places were made during the year together with sampling of milk and cream sold in the Town. All milk dealers were licensed together with Nursing Homes, Camps, Boarding Houses, Garbage Collectors, etc.

Complaints regarding sewerage disposal systems, nuisances, contagious diseases and all other matters pertaining to public health were investigated and corrected if found existing.

ANNUAL REPORT, TOWN OF COHASSET, 1955

Reimbursements to the Town, resultant from applications from this Department were \$513.00 from the City of Boston for the care of a contagious disease case with a Boston settlement and \$217.86, subsidy from the State Department for the care of a local patient.

The report of the School Dentist and District Nurse follows.

Respectfully submitted,

NATHANIEL HURWITZ, Chairman
EDWARD E. TOWER, Secretary
FRED W. SULLIVAN

REPORT OF THE SCHOOL DENTIST, 1955

To the Board of Health
Cohasset, Massachusetts

Gentlemen:

The following is the report of dental care accomplished at the Ripley Road and the Deer Hill School Clinics from January 1, 1955 to December 30, 1955.

Restorations

Silver amalgam (with and without cement bases)	729
Synthetic Porcelain	76
Anodyne	37
Red Copper	5

Extractions

Deciduous Teeth	142
Permanent Teeth	13

Prophylaxis Treatments	167
----------------------------------	-----

Examinations (without treatment)	38
--	----

As is true today in all towns, Cohasset has had quite an increase in school enrollment. The dental clinic set up could not handle adequately three separate clinics and it was decided by the unanimous opinion of the School Committee and the Board of Health to move the almost new equipment from the High School to Deer Hill.

ANNUAL REPORT, TOWN OF COHASSET, 1955

We all believe that clinical dentistry is more important in the first six grades and we will continue twice a week to serve both Ripley Road and Deer Hill Schools.

I wish to express my appreciation to Mrs. Hudson, Miss James and Mrs. Rivers for their assistance with the children on many occasions.

Respectfully submitted,

WILLIAM G. MATTESON, D.M.D.

REPORT OF THE SOCIAL SERVICE LEAGUE

Board of Health
Cohasset, Massachusetts.

Gentlemen:

I herewith submit a summary report of work done by the workers of the Social Service League of Cohasset, Inc., for the Board of Health for the year ending December 31, 1955.

<i>Statistical report:</i>	<i>Cases</i>	<i>Visits</i>
Health Guidance	759	2422

<i>Clinics</i>	<i>Sessions</i>	<i>Attendance</i>
Well Baby Conferences	11	127
Well Child Conferences	11	127
Immunization	4	108
Norfolk County Hospital, O.P.D.	19	42
Salk Vaccine Clinics	2	156
Total number of nursing hours in clinics—195		

Well Baby and Well Child Conferences were conducted by Dr. John Hubbell or Dr. Murray Pendelton, visiting pediatricians, on the first and fourth Tuesday of each month. The exception being the omission of the Well Child Conference in August and the Well Baby Conference in September due to the prevalence of polio. One nurse and nutritionist assisting at all clinics.

Children referred from conferences to family physician, dentist, or Children's Hospital—20.

ANNUAL REPORT, TOWN OF COHASSET, 1955

Patch Tests applied—76, negative reading 75, positive 1, X-ray negative.

Skin Tests (N.C.H.)—4, all negative readings.

IMMUNIZATION

Clinic Staff — Dr. Robert Sceery, one nurse, and two volunteer clerks.

1. Local Clinic:

	No. Children
Triple immunization (3 injections)	10
Triple immunization booster (1 injection)	62
Triple immunization, incomplete (2 injections)	5
Triple immunization booster, plus 2 plain tetanus ..	2
Number of children checked, family unco-operative ..	2
Number of children signed at local clinic—not given	2
Number denied immunization for physical condition	2
Children found to have had immunization completed by family physician during 1954:	
Triple immunization	52
Triple immunization boosters	131
Total Number of children checked	310
Total Number of Children to be done by family physician	56
Total Number of Visits	403

2. Salk Vaccine Clinic

Number of children inoculated	156
Number of children denied	40
Clinic Number 1	148
Make-up Clinic	8

TUBERCULOSIS STATUS OF COHASSET DECEMBER 31, 1955

Known active cases January 1, 1955	1
New cases (active)	1
Contacts—X-rayed and reported negative	25
New arrested cases (reclassified from active)	1
Other arrested cases	10
Suspicious of T.B., X-rayed, reported negative	15
Moved into Cohasset—arrested cases	2
Moved from Cohasset—arrested cases	4
Nursing visits of supervision	169

TRANSPORTATION

All necessary transportation to the Well Children's Conferences has been furnished by a volunteer transportation committee, Mrs. J. E. Revelle, chairman. Transportation to the immunization clinics was supplied by the A. R. C. Motor Corps and all patients needing transportation to the Norfolk County Hospital was provided by the nurse for the Board of Health.

REPORTS

Bi-annual report on Tuberculosis to Dr. Grace Lutman, Mass. Dept. of Public Health.

Annual statistical report of Tuberculosis—State Dept. of Public Health, Division of Tuberculosis.

A report by age groups of all children in Grades 1 and 2 who received the Salk Vaccine, as well as those who did not receive the vaccine, has been made to the Special Study Committee.

A report of all children, by age group, between the ages of 5 years and 14 years, with an estimated number of children under 5 years of age, has been compiled and forwarded to the State Dept. of Public Health, Division of Communicable Diseases.

A record and file has been established for the Salk Vaccine Clinics.

The Premature Birth register and file has been maintained throughout the year, and reports filed as requested.

The Tuberculosis register is in the process of being revised to conform with State regulations.

OTHER VOLUNTEER SERVICES

2 volunteer workers at each Well Baby Conference.

1 volunteer worker at each Well Child Conference.

2 volunteer workers at each Immunization Clinic.

The Nutritionist and Caseworker, co-operating with the Nursing Service offer the following reports:

Nutritionist:

Well Child and Well Baby Conferences attended—21.

Mothers seen at the Conferences—221

Number of follow-ups from Conferences in home visits—5 visits.

ANNUAL REPORT, TOWN OF COHASSET, 1955

Number of mothers interviewed at Immunization Clinic—25.
Prenatal visits—27.

Casework Report:

Two new cases were taken on for Casework service in addition to the 3 carried forward from 1954. These were both pre-school children—1 who needed only minor service for hospital arrangements. The other family is still being carried forward to 1956. Two of the 1954 carried forward cases were closed: one arrested T.B. and one pre-school child, and one is again carried forward to 1956.

Respectfully submitted,

OLIVE WHEELER, R.N.

REPORT OF BOARD OF PUBLIC WELFARE, BUREAU OF OLD AGE ASSISTANCE, AID TO DEPENDENT CHILDREN AND DISABILITY ASSISTANCE

To the Citizens of Cohasset:

The number of cases aided under the four categories during the year, compared with 1954, is as follows:

	1955	1954
Old Age Assistance	71	78
Aid to Dependent Children	4	6
Disability Assistance	10	10
General Relief	16	15
	<hr/>	<hr/>
	101	109

Fourteen of the Old Age Assistance cases were aided in Nursing Homes, rates ranging from \$28.00 to \$35.00 a week, plus medical, and two of the Old Age Assistance cases were aided in Boarding Homes, at \$25.00 a week, plus medical.

Thirteen cases receiving Old Age and Survivors' Benefits were supplemented with Old Age Assistance to meet budgetary requirements.

The Town recovered \$4,434.48 under the lien law, which went into effect January 1, 1952, and \$765.00 from a recipient who reimbursed the Town for aid received.

ANNUAL REPORT, TOWN OF COHASSET, 1955

We give below the total amount of payrolls on each category for the year and the Federal and State reimbursement received during the year.

	Payrolls	State	Federal	Total Reimb.
Old Age Assistance . .	\$54,682.61	\$35,385.24	\$22,126.81	\$47,512.05
Aid Dependent				
Children	6,342.96	2,100.54	3,354.79	5,455.33
Disability Assistance.	5,666.29	1,317.22	3,054.91	4,372.13

The total cost of Administration for the year was \$8,195.61. Federal reimbursement amounted to \$3,463.88. On Disability Assistance the State reimbursed \$191.17. This is the only category on which the State reimburses on Administration.

Thirteen of the sixteen cases receiving General Relief were temporary, due to unemployment or illness. There are three chronic cases. One case, consisting of man, wife and ten children are being rehabilitated. This case is unsettled and the total amount of aid rendered is reimbursed by the State. The nutritionist cooperated in the preparation of the food budget.

The Public Health Nurses report the following visits made to cases under this Department.

	Cases	Visits
Old Age Assistance	6	208
Disability Assistance	1	62
General Relief	1	1
Aid to Dependent Children	0	

All bedside nursing visits are by order of the attending physician and approved by the local welfare office.

We wish to extend our thanks to all who assisted and cooperated with this Department.

Please refer to the Town Accountant's Report for financial detail.

Respectfully submitted,

HELEN E. SCRIPTURE, Chairman
IRA B. P. STOUGHTON
NORMAN CARD

REPORT OF SUPERINTENDENT OF MOTH DEPARTMENT

To the Honorable Board of Selectmen and Citizens:

As was stated last year, the Moth Department, although originally organized to combat the Gypsy Moth only, is now charged with the suppression of a number of insect pests, poison ivy, and Dutch Elm Disease.

GYPSY MOTH AND INSECT PESTS

The Gypsy Moth has, on a number of occasions in the past, seriously invaded parts of the town, but in recent years has done little damage. Despite an overall aerial spray in 1954, trapping operations and egg cluster scouting this past season have shown a small infestation in the Whitney Woods area. Early in 1956 State and Federal Officers with local forces will survey this area and make plans to combat this small but potential menace.

Early in June all roadside trees and growths were sprayed by Mist Blower to control the elm leaf beetle, tent caterpillars and lesser insects. Sycamores and other trees needing special treatments were sprayed at proper intervals.

Conditions in late summer did not warrant an overall second foliage spray but the trees on the Common and other elms were sprayed for leaf beetles, bark beetles and sucking insects.

At the request of the Board of Health the dump was sprayed at intervals to control flies.

After the floods of last August, with the advice of Mr. Wells of the South Shore Mosquito Control Project, several days were spent in spraying D.D.T. along the Town Brook and adjacent low lands to control mosquitoes.

POISON IVY

Poison Ivy control, now under the Moth Department, was continued and all must now note the decrease of this poisonous plant along our roadsides. This work will continue.

DUTCH ELM DISEASE

Dutch Elm Disease is still taking its toll of elms in Cohasset.

ANNUAL REPORT, TOWN OF COHASSET, 1955

All street elms and others accessible by truck were given a 12% D.D.T. dormant spray in early April to control bark beetles. A total of 163 condemnations were made from samples sent to the Shade Tree Laboratories at Amherst. Of these, 64 might be classified as public shade trees while the others were on private property within several hundred feet of desirable elms. Although a smaller number of street trees were condemned in 1955 than formerly, the number of such elms is of course steadily decreasing. Only one tree on the Common and one on adjacent North Main Street were found to be infected. Both were severely pruned in an effort to save them.

Early removal of infected trees is stressed by authorities and about 25 elms in the center of town were cut last summer. At the end of the year 73 infected trees had been removed, a contract let for the topping of 54 trees with complete removal of all condemned trees expected before March 1.

Citizens are urged to notify the Moth Superintendent of the sudden wilting or yellowing of branches of elms, usually first appearing in early June.

The cooperation of all officials and citizens is deeply appreciated.

Respectfully submitted,

HOWARD BATES,
Moth Superintendent.

REPORT OF TREE WARDEN

To the Citizens of Cohasset:

The efforts of the Tree Department this past year have for the most part been spent in repairing the damage to the trees caused by the hurricanes of last year. Hanging branches have been taken down, stubs cut off and in some cases, trees weakened or split have been cabled. Various trees so badly damaged or weakened by age or rot have been cut down.

In laying out the proposed sidewalk on Pond Street, it was necessary to remove 12 trees. The Tree Warden went over the layout with the Town Engineer and only those trees definitely

in the sidewalk were posted, no objection being made at the hearing, the trees were removed.

Many low branches and especially those obscuring street lights have been removed wherever noted or requested.

Roadside brush clearance to provide unobstructed view of the road for the motorist and to improve the appearance of the town has progressed on nearly all streets. Both sides of Atlantic Avenue from Cunningham's Bridge to the Bathing Beach were cleared of brush and briars, greatly improving the bad corners there, both from the standpoint of safety and appearance.

Thirty trees of various species were planted on six streets and the Common, and plans are to continue this program at an increased rate next year. Recent reports from a special Legislative Committee to study the advisability of putting wires underground have shown that even in Florida where hurricanes are much more frequent than here, wires are still strung on poles. To resolve the tree-wire conflict, smaller trees will be planted under or near wires, and the larger growing trees only where there is sufficient room.

The Tree Warden welcomes reports of trees in need of attention and suggestions for the improvement of our public shade trees, and will gladly discuss shade tree problems with interested citizens.

In closing, I wish to thank all Town officials and citizens for their interest and cooperation.

Respectfully submitted,

HOWARD BATES,
Tree Warden.

REPORT OF THE PLANNING BOARD

During 1955 the Planning Board has had almost twice the activity of the previous year concerning division of land.

28 Plans were stamped "approval under the subdivision control law not required," with a total of some 60 lots resulting. 4 Plans were approved under the subdivision control law consisting of 64 lots.

2 Subdivisions previously approved were modified.

6 Subdivisions were submitted in preliminary form with no further action requested by the subdividers.

This activity resulted in 124 new lots available for building purposes; an incdease of 50% over previous years. This is not out of line with the activity in towns twenty-odd miles from Boston.

However, if construction follows at a similar rate, Cohasset will exceed the rate of construction of such towns. This should be watched carefully from the standpoint of school, highway, water supply, and sewage disposal problems. Such problems are part of the growth of a small suburban town and can be solved economically if attacked soon enough. Pressures are building up with the advent of the Southeast Expressway and other highway improvements, but Cohasset with its alert citizenry should face no serious problems. The new Zoning By-Laws should prove to be of significant help to both the Planning Board and the town. Working with the law will point up proper modifications to eliminate any undesirable situations.

The Board wishes to remind the citizens that its hearings and meetings are open to the public and your attendance is invited.

It is with thanks to all the other Boards and Officers of the Town for their help and cooperation that the Planning Board looks forward to another year of healthy growth for Cohasset.

Respectfully submitted,

NATHAN W. BATES

BURTRAM J. PRATT

ANTHONY R. WHITEMORE

NELSON W. HARTSTONE, Secretary

ALBERT HABERSTROH, Chairman

CIVIL DEFENSE REPORT

Hurricane "Diane"

If there were any danger of our being fooled by the masquerading Red Salesmen into letting down our guard — *which there is not* — we would be kept alert in our civil defense thinking by an occasional kick in the stomach from a hurricane. Four times within the last seventeen years Massachusetts has been on the receiving end. On August 19, 1955 "Diane" brought disaster to many towns in the central part of the state. In Cohasset some of our citizens suffered heavy financial loss. Our firemen rendered fine service during 48 hours of all-out battling with flooded cellars. Here,

ANNUAL REPORT, TOWN OF COHASSET, 1955

as in most of the state, our alerted civil defense personnel were not called into action; but the afflicted towns got valuable help in saving lives and property from their local CD teams and from nearby towns under the mutual aid planning. They were also helped by the State CD Headquarters personnel and equipment. Afterward, during the rehabilitation period, they were assisted with Federal and State funds, under CD administration in the amounts of 20 million and 55 million dollars.

Insurance for Cohasset Water

Following the vote of the last Town Meeting, we are now going forward with the installation of two emergency generators which will operate our water supply system in case of a natural or military disaster. Under the Federal matching funds program the expense for this equipment is shared on a 50-50 basis. At the main pumping station there will be a diesel engine and generator producing 100 KW; at the Lily Pond auxiliary station a 10 KW portable generator to produce the current needed there. This smaller unit is trailer mounted in order to make it available for other possible disaster jobs.

National Conference in Boston

At the beginning of the sixth year of organized civil defense the local directors for cities and towns have set up a national association, called the United States Civil Defense Council, for the clearance of common problems and for improving mutual aid. The first elected president of this organization was the director for the City of Boston, and the first national conference was held in Boston during the last three days of September. Favored subjects for panel discussions were "Evacuation", "Fall-out", and "Emergency Field Hospitals". After a thorough discussion the vote in favor of Evacuation was almost unanimous — with a majority opinion that in some cities, because of special hazards, there would be some modifications.

Survival Plan Studies

Recognizing the need for thorough research into the problem of how to survive, Congress has allotted 10 million dollars to the Federal Civil Defense Agency to be used in determining the best defense plans for the various cities considered to be the most likely targets. Of this amount \$250,000 has been ear-marked for Massachusetts; work will begin very soon — we hope.

Anyone who did not receive CD Bulletins No. 14 or No. 15 may secure copies at the Public Library.

WALTER H. LILLARD,
Director.

INTERIM REPORT OF JAMES BROOK COMMITTEE

1. At the Special Town Meeting called Nov. 7, 1955 your Committee reported in some detail its doings to date:

A. Extensive and continuing personal field studies.

B. Employment (through the Selectmen, since the Committee was given no funds) of the Town Engineer to inspect and report authoritatively on the condition of the pipe and culvert from Smith Place to the outlet below Brook Street. His report showed that much of the corrugated iron pipe from Smith Place to the Railroad tracks was badly rusted and should be replaced. He reported further that the square concrete culvert contained an important accumulation of sand as well as structural impediments — one of them a concrete “smell-box” — and that the culvert was about 50% efficient.

C. This report was placed in the hands of the Selectmen as the top governing body of the Town, for correction by the Department concerned as to removal of important impediments. (As of the year end this work seems to have given a free flow beneath the Village.) The replacement of rusted pipe will await action at the Annual Town Meeting.

D. To the Special Town Meeting we reported on several conferences with the State Dept. of Public Works as to possible State Aid and the necessary engineering studies. We asked for and received opinions on and rough guesses as to the cost of various aspects and alternative solutions, which were explained to the Meeting.

E. Your Committee asked for and received definite authorization to include the entire Town of Cohasset in the area of its investigation, and for funds for an engineering survey and reports. There were accorded.

2. The engineering firm of Edwards, Kelcey and Beck of Boston and other cities was thereupon engaged, and is now very actively at work on the James Brook area problem; it is already beginning to produce the preliminary sketches and data for our final study and recommendations to the Annual Town Meeting.

3. In the meantime we have had a joint meeting with the Planning Board and the Board of Health, and have worked on close and cordial cooperation with the Selectmen. We have passed along to them information and suggestions as they have come to hand, for consideration and transmission to the Departments concerned.

4. At the Special Town Meeting, Nathan W. Bates and Dr. Brooks Ryder were added to the Committee. Owing to pressure of business Arthur C. Nisula resigned, whereupon the Moderator appointed Gilbert S. Tower to the vacancy.

5. Our more complete report will be presented to the Annual Town Meeting.

Respectfully submitted,

RICHARD C. WARE, Chairman
ELEANOR T. DOWNS
HAROLD F. GOODWIN
ARTHUR C. NISULA (resigned)
FRANK O. PATTISON
NATHAN W. BATES
DR. BROOKS RYDER
GILBERT S. TOWER

REPORT OF THE COMMITTEE TO REVISE BY-LAWS

The Committee to Revise By-Laws has met formally seven times in the past year, in addition to many subcommittee and informal conferences of members. It has assembled in usable form the By-Law changes which have been adopted since the last complete version of the By-Laws was assembled and printed in 1933. A limited number of copies of these changes was mimeographed and made available to Town officials. The Committee has also made a collection of the By-Laws of about 40 other Massachusetts towns for study purposes.

The Committee has completed a first draft of a proposed Building Code. Study of the draft by the Committee has indi-

ANNUAL REPORT, TOWN OF COHASSET, 1955

cated the desirability of extension redrafting. Consideration has also been given to the need of a Plumbing Code, and consultations have been had in that connection with several Cohasset plumbers. It is expected the work of the Committee on the Building and Plumbing Codes will be completed and presented to the Town in the next year.

The Committee has received a number of suggestions for By-Law changes involving the internal procedures of the Town departments including the resolution adopted under Article 40 of the 1954 Town Meeting. The Committee has deferred action on these suggestions until completion of its other projects, principally the Building and Plumbing Codes permits it to consider Town government procedures in an orderly manner. Therefore the Committee has no action to recommend on these suggestions at this time.

The Committee has considered and is recommending to the Town the adoption of two changes in the By-Laws at the 1956 Town Meeting.

The Committee requests that this report be accepted as a report of progress and that the Committee be continued in existence.

Respectfully submitted,

COMMITTEE TO REVISE BY-LAWS

Members:

JOHN EMERY
EDWARD W. MALLEY, JR.
EARL R. McARTHUR
CHARLES O. SMITH
J. BLAKE THAXTER
CLINTON T. CROLINS, Secretary
HERBERT TOWLE, Chairman

REPORT OF THE CAT DAM COMMITTEE

It has become increasingly apparent that the narrow bridge and dam (locally known as Cat Dam), both situated on Nichols Road, have deteriorated to the extent that they must be replaced. This deterioration results from age, erosive action of water, and the fact that the bridge and dam, as originally constructed, were not built to accommodate present day usage.

Present usage of Nichols Road and the bridge has increased during the last ten years because of the many people who have established year 'round residence in the area. In addition, the road serves as a main route to the Town beach and also offers scenic travel to our many summer visitors.

The condition of the dam is poor. It is inoperative and water goes over, under, through, and around the dam. The bridge has had inadequate protection against the action of salt water and, coupled with the burden of heavy vehicle traffic, now requires replacement.

While the problem of replacing the bridge and dam is approaching a critical stage, the general subject is one which has concerned Town officials for a number of years. It is one which has received considerable study and one on which Town officers have consulted with various local and state agencies and have required the opinion of private engineers. In a report to the selectmen dated May 5, 1955, J. C. Rundlett, State Engineer, reviewed this situation and stated, "It is my opinion that the bridge should be rebuilt."

Mr. T. Clark Perkins, Town Engineer, in a report to the selectmen dated September 27, 1955, stated, "Reports have been made by the State of Massachusetts Bridge Engineer and by the consulting firm of Hayden, Harding and Buchanan. A resume of same indicates a mutual agreement that a new bridge is necessary in view of the present condition of the bridge and the heavy loads traveling over this span." Mr. Perkins also states that, "A tide gate, made a part of the bridge, would add little to the cost of the project." In a report to the selectmen dated January 3, 1956 Mr. Perkins reaffirmed his previous opinion and states that "The dam and bridge be replaced as soon as practicable."

A part of the problem relating to Cat Dam and the bridge is the necessity of maintaining a proper water level in the pond.

ANNUAL REPORT, TOWN OF COHASSET, 1955

This is vital to protect the scenic value and aquatic resources of the area not only for the immediate residents but for the Town as a whole.

The absence of control, or poor control, of water in this pond creates a considerable nuisance. In the summer of 1954, when the dam was opened to "flush" the pond, as had been the custom for years past, the gate broke down and while repairs were being made, the pond became a very unattractive mud flat with attending problems of irrigation and unpleasant odors. In the summer of 1955, the gate was not opened for fear that it would again collapse. Low water in the pond, due to the leaking dam and the extreme heat of the hottest year on record, encouraged an unusually rank growth of Algae and other aquatic plants and animal life. The high temperatures later led to fast decomposition as the growth matured creating extremely unpleasant odors which constituted a distinct nuisance.

A properly constructed dam would eliminate these unpleasant conditions. It would allow the maintenance of a proper water level thereby discouraging vegetation. It would also provide the means of flushing the pond during periods of exceptionally high tides. As with other bodies of water, a controllable volume in the pond would allow for successful chemical treatment of the water to control the growth of algae.

From a study of the preceding, it is self-evident that the dam and bridge at Nichols Road must be replaced. For reasons of economy, they should be combined in one structure as suggested by the Perkins report. The concurrence of state officials in this opinion is reflected in a selectmen's article in the Town Warrant calling for a new bridge and dam. This offers a very favorable solution to a vexing problem of long standing, and we strongly recommend that the Town vote favorably on this article.

We also want to thank the Board of Selectmen, the Board of Health, the Town Engineer, and all other agencies and individuals who have so generously cooperated with this committee.

REPORT OF STATE AUDIT

To the Board of Selectmen
Mr. Norman Card, Chairman
Cohasset, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Cohasset for the year ending December 31, 1954, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Director of Accounts.

Very truly yours,

HERMAN B. DINE,
Director of Accounts.

BHD:ED

Mr. Herman B. Dine
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Cohasset for the year ending December 31, 1954, and report thereon as follows:

The records of financial transactions of the several departments collecting or disbursing money for the town or committing bills for collection were examined and checked in detail.

The books and accounts in the office of the town accountant were examined and checked. The recorded receipts were compared with the departmental records and with the treasurer's cash book, while the payments as recorded were checked with the disbursements as shown by the treasurer's cash book and with the treasury warrants.

The ledger accounts were analyzed, and the recorded appropriations and loan authorizations were checked with the amounts voted by the town as shown by the town clerk's records of town

ANNUAL REPORT, TOWN OF COHASSET, 1955

meetings, while the transfers from the reserve fund were checked with the finance committee's records of transfers authorized. A trial balance was taken off, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on December 31, 1954.

The books and accounts in the office of the town treasurer were examined and checked in detail. The receipts, as recorded, were analyzed and checked with the town accountant's books, with the records of the departments making payments to the treasurer, and with other sources from which money was paid into the town treasury, while the recorded payments were checked with the selectmen's warrants authorizing the treasurer to disburse town funds and with the town accountant's books.

The treasurer's cash balance on January 22, 1955 was verified by actual count of the cash in the office, by reconciliation of the bank balances with statements furnished by the banks of deposit, and by certification from the bank at which U. S. Treasury securities are held in safe-keeping for the town.

The recorded payments of maturing debt and interest were checked with the amounts falling due and with the cancelled securities and coupons on file. The unpaid coupons on January 22, 1955 were listed and reconciled with a statement furnished by the bank in which funds are deposited for this purpose.

The treasurer's records of employees' payroll deductions on account of Federal taxes, the county retirement system, and Blue Cross and Blue Shield were examined and checked with the town accountant's ledger controls.

The records of tax titles held by the town were examined and checked. The taxes added to the tax title account were checked with the collector's records, the redemptions of tax titles were compared with the treasurer's recorded receipts, and the tax titles on hand were listed and reconciled with the town accountant's ledger control.

The records of trust and investment funds in the custody of the town treasurer, the treasurer of the directors of the Paul Pratt Memorial Library, and the treasurer of the trustees of the Cohasset Free Public Library were examined and checked. The savings bank books and securities were listed, the income was proved, the disbursements and transfers to the town were verified, and the cash on hand January 22, 1955 was proved by reconciliation of the bank balances with statements furnished by the banks of deposit.

ANNUAL REPORT, TOWN OF COHASSET, 1955

The books and accounts of the town collector were examined and checked in detail. The taxes and motor vehicle and trailer excise outstanding at the time of the previous audit, as well as all subsequent commitments, were audited and proved. The cash books were footed, the payments to the treasurer were checked with the treasurer's recorded receipts, the abatements were compared with the assessor's records of abatements granted, and the outstanding accounts were listed and reconciled with the respective accounts in the town accountant's ledger.

The commitments of departmental and water accounts receivable were examined and checked. The recorded receipts were checked with the payments to the treasurer, the abatements were compared with the departmental records of abatements granted, and the outstanding accounts were listed and reconciled with the respective accounts in the town accountant's ledger.

Verification notices were mailed to a number of persons whose names appeared on the books as owing money to the town, and from the replies received thereto it appears that the accounts, as listed, are correct.

The collector's cash balance on January 22, 1955 was proved by actual count of the cash in the office.

The Town clerk's records of receipts from dog and sporting licenses, as well as from gasoline registration fees, were listed from the duplicates and stubs on file. The payments to the treasurer were checked with the treasurer's recorded receipts, the payments to the State were compared with the receipts on hand, and the cash balance on January 22, 1955 was proved by actual count of the cash in the office and by reconciliation of the bank balance with a statement furnished by the bank of deposit.

The town clerk's records of appropriations voted at town meetings were checked in detail with the town accountant's ledger accounts and with the amounts raised by the assessors in the computation of the 1954 tax rate.

The surety bonds on file for the town officials required by law to furnish them were examined and found to be in proper form.

The records of receipts by the selectmen and the sealer of weights and measures, as well as by the police, health, and school departments, together with all other departments in which money was collected for the town, were examined and checked. The payments to the treasurer were compared with the treasurer's recorded receipts and the cash on hand was proved.

ANNUAL REPORT, TOWN OF COHASSET, 1955

There are appended to this report, in addition to the balance sheet, tables showing reconciliations of the treasurer's, the town collector's, and the town clerk's cash, summaries of the tax, motor vehicle and trailer excise, tax title, departmental, and water accounts, as well as schedules showing the condition and transactions of the trust and investment funds.

During the progress of the audit cooperation was extended by all town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,
WILLIAM SCHWARTZ,
Assistant Director of Accounts.

TOWN ACCOUNTANT'S REPORT

February 3, 1956.

To the Honorable Board of Selectmen and to the
Citizens of Cohasset:

I herewith present my annual report in accordance with Section 61 of Chapter 41 of the Tercentenary Edition of the General Laws, for the year ending December 31, 1955, showing in detail the appropriations, expenditures, and the receipts from each source of income. Also a recapitulation sheet and a balance sheet showing the assets and liabilities and trust accounts.

In accordance with Section 57 of Chapter 41, of the Tercentenary Edition of the General Laws, you will find a detailed report of the Town's Debt which amounts to \$1,586,000.00. Also a complete report of the Interest requirement of the present Town Debt which amounts to \$243,891.25 during the period of the Town Debt.

In accordance with Section 53 of the Tercentenary Edition of the General Laws, the records of permits and licenses issued by the Selectmen and other departments receiving money for the Town or committing bills for collection were examined and checked, the reported payments to the Town Treasurer being compared with the Treasurer's recorded receipts, also the savings bank books and securities representing the investment of the several trust funds in custody of the Town Treasurer. I have further reconciled the accounts of the trust funds in custody of the Trustees of the Cohasset Free Public Library and Paul Pratt Memorial Library.

I certify that during the year, I made a complete audit of the books and accounts of the Town Collector and Tax Collector, and the outstanding accounts were listed and proved with the respective accounts.

During the year a complete audit was made of the books and accounts of the Cohasset Water Department and the outstanding accounts were listed and proved with the respective ledger accounts.

You will also find at the end of the report, detail payroll expenditures of each department. The detail salaries or payrolls of the Paul Pratt Memorial Library will be found in their report.

In closing, I wish to take this opportunity to thank all departments for their sincere co-operation this past year.

MALCOLM STEVENS,
Town Accountant.

SCHOOL CALENDAR — 1955-1956

FALL TERM

Begins Wednesday, September 7, 1955; ends Friday, December 23, 1955.

WINTER TERM

Begins Tuesday, January 3, 1956; ends Friday, February 17, 1956.

SPRING TERM

Begins Monday, February 27, 1956; ends Friday, April 13, 1956.

SUMMER TERM

Begins Monday, April 23, 1956. This term ends for the Deer Hill and Ripley Road Schools Wednesday, June 13, 1956. This term ends for the Cohasset High School Tuesday, June 19, 1956.

HIGH SCHOOL GRADUATION

Thursday, June 7, 1956.

HOLIDAYS

Friday, March 30, 1956

Good Friday

Wednesday, May 30, 1956

Memorial Day

FALL TERM

Begins Thursday, September 6, 1956; ends Friday, December 21, 1956.

HOLIDAYS

Discovery Day — October 12, 1956.

Thanksgiving Recess — November 22 and 23, 1956.

INFORMATION RELATIVE TO PUPIL ENROLLMENT

A child who is four years and ten months old on or before September 10 is eligible for enrollment in the Kindergarten. A pupil must be five years and ten months of age on or before September 10, to enter the first grade. Pupils must present a birth certificate for initial admission to the Cohasset Public Schools.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Cohasset:

Your School Committee would like to report to you some of the notable accomplishments of 1955 in the school system, and then to outline briefly the developments which are currently occupying the committee's attention.

In 1955, the following gains in facilities, administrative and educational services were made:

The new 12-room Deer Hill School opened in September.

The Ripley Road School playground was improved.

Permanent replacement of floors in the 1929 wing of the Ripley Road School was completed.

A full-time High School Principal was elected.

A full-time Guidance Director was elected.

A registered nurse was added to the school staff.

Supervising Principal and two Assistant Principals elected for Primary and Elementary Schools.

The School Committee is proud of the educational accomplishments of the school pupils in 1955, as reported in the Superintendent's report.

Our sports teams, after much discouragement, have begun to win their share again. Other extra-curricular programs are flourishing.

Your Committee faces two problems common to almost every suburban town in America today. Both are reflected in sharply increased school budgets which seemingly cannot be reduced by conventional "economics".

Intense competition for teachers — from town to town and between teaching and industry — has combined everywhere with general inflation and the desire to give teachers a "professional" salary. This combination has increased the salary item in school budgets at a breath-taking rate.

Yet it appears that a town like Cohasset, even if it wished to ignore teachers' requests for salaries to match their training and responsibilities, has little choice but to keep pace with teachers'

ANNUAL REPORT, TOWN OF COHASSET, 1955

salary increases. Once behind the competition, our fine staff would soon be depleted. We simply could not hire equal replacements for less than the "going" salary, if indeed we could get any teachers at all.

We have recently voted a salary schedule of \$3,200 - \$5,200, effective September, 1956. It appears now that this will no more than match the salaries of towns that are trying to hire the same teachers we are.

Increasing enrollments have, of course, compounded the increase in costs, and will continue to do so. We added 8 teachers to our staff in September, 1955, and will require 4 more in September, 1956, to maintain the present curriculum and pupil-teacher ratio. The new Deer Hill School gives us enviable elbow room for the expected increases in elementary school enrollment, but naturally has increased our general maintenance budget. We are rapidly approaching a capacity enrollment at the High School. When this school was built, it had been anticipated that additional classrooms would be needed by 1960. Now it appears they will be needed sooner.

Your Committee recognizes its obligation to be prudent in the operation of your school system. Like all other similar towns, however, we are faced with the problems of attracting and retaining good teachers and of providing good school facilities. These are realities that are expensive and the townspeople are to be commended for their generous support of the educational system.

Respectfully submitted,

OSBORNE F. INGRAM, Chairman

REPORT OF THE SUPERINTENDENT

To the School Committee and the Citizens of Cohasset:

It is with considerable satisfaction that I submit the annual report for the year 1955. I believe the Citizens may well take pride in the accomplishments in their public schools during 1955. The physical plant is adequate at present, and notable academic achievements have been recorded.

SCHOLASTIC ACCOMPLISHMENT

In the field of education, those who cease the search for improvement stagnate. I am not suggesting that we are even approaching perfection, but I do believe that we have sound evidence to indicate that teachers and pupils are acquitting themselves creditably.

The most spectacular accomplishment was the attainment of the highest score in the nationally conducted contest of the Mathematical Association of America by the Cohasset High School. 662 schools entered over 23,000 students in the contest. The Cohasset High School representatives on the winning team were James E. Brennan, Joel S. Pratt, and Janice A. Cowdrey.

Our Latin students excelled in a nation wide Latin examination given by the Association for Promotion of the Study of Latin. Robert Massa received the certificate of Superior Merit, and Nathaniel Towle and Richard Conant the certificate of Honorable Merit.

One Cohasset High School student, Joel S. Pratt, qualified on the October test of the National Merit Scholarship Corporation. 58,158 students were tested throughout the nation, and 5000 qualified for the January testing.

Although it is fine to have students who are outstanding, what about the rank and file? What is their standing in educational achievement? The results of reading tests administered are particularly interesting, especially in a year when what amounts to a national controversy on the teaching of reading has been waged in various publications throughout the land. In the Iowa Every-Pupil Tests of Basic Skills, the average score on reading comprehension in our 5th, 6th, 7th, 8th, and 9th grades ranged from the upper third to the upper twelfth of the percentiles computed by the Science Associates. In the reading section of the Stanford Achievement Test given in grades 2 through 6, over 70% of the pupils were reading at or up to four years beyond grade average.

In the Tests of General Educational Development given to our pupils in grades 10, 11, and 12, the 10th and 12th grades scored in the upper 10th, and the 11th grade in the upper quarter of the percentile composite scores of the tests in all subjects.

GROWTH IN ENROLLMENT

The enrollment table which is a part of this report reveals the statistics regarding grade placement and age distribution as of October 1. The increase this year was a total of 79 pupils in public

ANNUAL REPORT, TOWN OF COHASSET, 1955

school enrollment. The High School enrollment was 49 over the previous year. The Kindergarten had 14 more than in 1954. Grades 1, 2 and 3 had 6 more, and grades 4, 5 and 6 had 10 more pupils this year.

The immediate concern is the increase in high school enrollment as the post war children are now beginning to enter these grades. A technique devised by the New England School Development Council which is based upon the assumption that the past six year's experience can be used as a guide for projection of our future high school population. The results are indicated in the following table:

Year	7th	8th	9th	10th	11th	12th	Total
1955 (actual)	84	68	51	54	33	36	326
Projected							
1956	83	82	59	52	52	29	357
1957	83	91	71	61	50	46	392
1958	104	81	70	73	59	44	431
1959	118	102	70	72	70	52	484
1960	110	116	89	72	69	62	518
1961	105	108	101	92	69	61	536
1962	114	103	94	94	88	61	564

PHYSICAL PLANT

One cannot expect the projected figures to turn out accurately pupil for pupil. However, trends can be interpreted, and general conclusions drawn. A careful study of our present curriculum and its classroom requirements indicates that a number of new recitation classrooms should be available in the fall of 1958.

The projected figures for elementary enrollment seem to indicate that the opening of the Deer Hill School last September has solved that problem for a few years. This splendid building consists of 12 classrooms, one reading room, administrative and health offices, a playroom, a cafeteria-auditorium, kitchen, storage rooms, and boiler room. At present 10 classrooms are occupied. There are four 4th grades, three 5th grades, and three 6th grades in this building. In September 1956 there will be four fifth grades, and in September 1957 there will be four sixth grades, thus occupying all 12 classrooms. At present one room is serving the very useful purpose of being set up as a Visual Aids room.

The Ripley Road School has 14 rooms occupied; one of which is used as a Visual Aids room, and one as an office-conference room. During the spring and summer, the playground at this school

was graded, the swamps filled in, and a new chain link fence installed. Thus the school can be said to have a playground at last. The driveways and parking areas were resurfaced. The floors in the lower level of the 1929 annex of this building were replaced by concrete and asphalt tile. Several outside doors were replaced this year.

The Cohasset High School's exterior trim was painted. The room formerly used for a dental clinic has been renovated to serve as guidance office.

STAFF REORGANIZATION AND REQUIREMENTS

The growth of the pupil enrollment and the physical plant necessitated increased staff and administrative reorganization. In September 3 additional teachers were required at the Ripley Road School. Two additional teachers were required for the grades at the Deer Hill School. Three additional teachers were necessary because of increased enrollment and administrative changes at the High School.

On August 1, 1955, I was relieved of the principalship of the high school, and that position and the position of Superintendent of Schools were separated, and each put on a full time basis. The total school enrollment had increased 82% since I first assumed the position, and both offices were requiring full time attention. Mr. Anthony D'Antuono was elected as principal of the High School. Since that date he has worked vigorously and effectively to organize the school to adequately cope with the expansion period which lies ahead.

Mr. J. Edward Harris was appointed full time Guidance Director to more successfully cover this important phase of service for our young people.

Mrs. Helen Hudson was appointed Supervising Principal in charge of the Ripley Road and Deer Hill Schools. Mrs. Alice Dixon is assistant principal at the Ripley Road School, supervising grades 1, 2, and 3. Miss Kathleen MacMahon is Kindergarten Supervisor in charge of the Kindergartens. Mr. John Creamer is the assistant principal at the Deer Hill School.

In September 1957, one additional teacher will be required for a fifth grade at the Deer Hill School. Two additional teachers to care for the increasing enrollment will be added to the High School staff. In order to attempt to cover Art and Music departments throughout the system, some additional teaching must be secured.

ANNUAL REPORT, TOWN OF COHASSET, 1955

The school health department was enlarged by securing Mrs. Ethel Rivers, R.N., on a part time basis to cover the Deer Hill and High Schools. The increasing emphasis on health education indicates that this position should become full time. Miss Fanny James continues in her position with an increasing amount of time for the primary pupils at the Ripley Road School.

The financial accounts of the schools are found in the Town Accountant's report.

I wish to thank all members of the staff for their splendid cooperation during the past year. The Town Accountant and the Town Treasurer have cheerfully accepted the work involved in the building program. The members of the School Committee and of the Elementary School Building Committee have worked long and diligently. It has been a pleasure to work with them all.

Respectfully submitted,

WILLIAM RIPLEY, JR.

Superintendent of Schools

REPORT OF THE SCHOOL NURSE

No. of pupils taken home for illness or accident	78
No. of home visits pertaining to absence	28
No. of visits for Pre-School Conference	47

All children in Kindergarten and lower grades who were not properly immunized were given an opportunity to attend the Clinics held by the Board of Health. Twenty-seven pupils were taken to these Clinics. Thirty-six members of the Senior Class had Chest X-rays by the County Mobile Unit, also members of the Teaching and Staff personnel.

All pupils received vision and hearing tests and notices of defects were sent *by mail* to parents. The follow-up of these cases is important and we appreciate a notice of treatment prescribed.

All pupils are weighed and measured once a year, the first three grades were completed in October. At the physical examinations of Kindergarten and First grade pupils, a parent is invited to be present.

The Insurance Plan has been helpful again this year in taking care of expenses caused from accidents at school.

Respectfully submitted,

FANNY E. JAMES

The school health program since September in the Deer Hill and High schools has been carried out as follows. Weighing, measuring and vision examinations of all students have been completed.

Physical examinations have been given to all candidates desiring to participate in football, basketball and field hockey. It is gratifying to know that none were rejected for physical reasons.

Hearing tests will be completed on all students before the end of the year. Physical examinations will be given to students in the fourth, seventh and tenth grades and also to all pupils transferring to the Cohasset school system during the year. As a result of these examinations, parents will be notified of children who are found to have physical defects and require the attention of their family physician.

The dental clinic at the Deer Hill school is held one day a week and all children requesting the services of the school dentist are examined and the necessary work is done.

A program is conducted for the Future Nurses Club at the High school. This group includes students interested in any phase of the Medical Profession.

At this time, I would like to thank those responsible for providing the desirable facilities and friendly surroundings for the health department.

ETHEL S. RIVERS, R.N.
